

Elementary

You are loved...

Read Isaiah 41:10

In this verse we find some great words from our Father. Yes, He actually is the one giving us these words. They aren't just made up from someone. God the Father inspired Isaiah to write these words down. Just like He inspired Isaiah to write down the many, many prophecies that told exactly what would happen with Jesus 700 years after Isaiah wrote them. So we can trust these words, too. So, when God tells us to not be afraid...it's not like He's saying, "hey, just buck up and stop being scared". He's telling us that He is with us. Have you ever been scared and needed your mom or dad to come lay with you, or hold you, or sit with you? And then you weren't afraid anymore. It's the same...only even better! The God of this universe is with you! And He calls you his son. His daughter. He is with you.

So the next time you are feeling anxious or defeated or worried...stop and remember what your Father has said to you. That He is with you. Then remember what He said He will do...He will uphold you...and will strengthen you. Supernaturally. He will do it! Trust His love for you. Trust that when He says He will be there He will be. Trust that when He says He will do something He will. He NEVER makes a mistake or misses something and NEVER goes back on His word.

Love, Grace and Peace,
Pastor James
