## HEADING

Read 2 Kings 6:1-7. I like the Message Version for this story.

Ok so how many of you have ever read that story before?

It's crazy right? What a weird little story. So think about this...of all the things God could have put in the bible. All the stories He could have told. Why this one? What does He want us to know about Him? What does He want us to know about us?

Simply this...if it matters to you it matters to God. You matter to God. Every part of your life matters to God. Now...the important part of this is to learn to trust God with every part of our lives. He is good. And perfect. So we can share our entire selves with Him our pain and struggles, our happy times and victories. We can allow Him to lead every part of our lives.

Read

- **Psalm 34:18** – what do you think God is saying to you in this?
- **Psalm 139** – How much do you matter to God? How involved is He in your life?

We can see through His very own words that He absolutely 100% loves every part of you. He gave up the world just to get you back. He LOVES YOU. So rest in that and begin sharing your heart with Him.

Love, Grace and Peace,  
Pastor James
