Reflection Questions

For the Girls:

- On a scale of 1-10, how would you rate your self worth right now? Why did you answer that?
- What are some of your fears about your self image now? When you have to be around people again?
- How do you think God sees you? Do you actually believe what was said in the video about how God sees you? Why or why not?
- How would your life be different if you really knew you were God's daughter, perfectly made to do something that no one else could do?

I love you all so much. If you have any questions or just want to talk, please reach out. I miss you and I love you!
