Reflection Questions

After watching the video, take a few minutes to reflect on these questions.

- Do you struggle with saying the right thing? Why or why not?
- What are some topics you are afraid to talk about in front of others?
- What's the worst thing that can happen if you say something and then later realize it wasn't 100% right? How should you handle that later?
- What can you do to step out of fear and speak up or take action?

You are loved!
