

# LIFE GROUP QUESTIONS

January 24, 2021

## Open

- How many times have you been in a situation where you forgot your mask? How many times have you had to turn around and make that dreadful walk back to your car to grab your mask? Has the rhythm of wearing your mask made it easier to remember? Do you ever forget that you have a mask on?

## Dig

- We learned about the Hebrew word, *KABOD*, to describe God's powerful and radiant glory. Can you remember a time you've encountered this dynamic glory? A time this beaming glory and tangible presence changed your life?
- Dr. Estep reminded us that the glory of Christ is not intended to fade, rather it is intended to transform. Can you think of an area of your life that could us the transformational glory of Christ?

## Reflect

- What are some ways you can be intentional about creating more time and room for the glory of God to permeate your life? Is there a veil in your life you need to address that is hiding your yearn for God's glory and holiness?
