Letters from Jesus | Walking Through

Revelation 3:7-13

As we continue in this series on the first three chapters of Revelation, we are asking God, "Please check and correct my alignment with You." Our desire is to be aligned with Jesus' Spirit, experiencing life to its fullest as **overcomers**.

Recap

Revelation is a book authored by **Jesus** through his close friend and follower, **John**. The original audience is seven churches whose existence is being threatened by political forces, social pressures, and their own misalignment. In this letter, we see Jesus encourage a church to keep on *walking through* the "hell" of the hardships they are experiencing.

Questions for Walking Through

- If you are going through “hell”, will you make the effort to go “through” and not deeper into?
- Of the four coordinates for *Walking Through*, which is most important for you right now? Is there one lacking entirely?
- Of the three rewards given by Jesus as recorded in Revelation 3:10-12, which do you find most motivating for “getting through”? What can you do to keep that reward in front of you?
- Who is one friend you can share your answers to these questions with and ask them to pray for you as you *Walk Through*?
