Afterlife #2 | Hell, According to Jesus

There is something inside the heart that knows there is more to this life than just a handful of decades, something telling us we are meant for more than this struggle on earth. We seem to intuitively know there is something after life. Jesus uncloaked what is coming next, and provided the way to paradise. In this three-part series, we will explore the timeless truths of the scripture about what is *after life* and how it should affect us now.

Bottomline About the Afterlife

Since what we do now will matter then,
we lift high the name of Jesus,
we worship God, and share the Good News.

Questions to Consider

- Who or what are you tempted to turn to other than Jesus?
- When was the last time you thanked God for saving you from an eternity in hell?
- What is the name of a person whose eternal soul you are crying out to God to save?
- When was the last time you shared the Good News with them?
- When was the last time you invited them to church?
