TAKE IT WITH YOU

I love the sound of Cicadas. The song of summer in the south. Their bodies are made somewhat like a musical instrument and that's how the male sings so loudly... and of course to attract female cicadas. Like all things in creation, only God could come up with such a plan. I find it humorous that the male cicada sings loudly because as a mother, grandmother and teacher, I've noticed that little boys make a lot of noise early on! It's still all part of God's plan. Although equally capable and intelligent, God created little boys and little girls differently... male and female, in His own image.

Genesis 1:27 says, "So God created mankind in His own image, in the image of God He created them; male and female He created them."

Further in Genesis 2:24 God's word says, "That is why a man leaves his father and mother and is united to his wife, and they become one flesh."

One of our "bedrock" beliefs at Snyder states:

"We believe that marriage is a covenant commitment between a man and a woman."

Paul Stookey wrote and performed "There is Love," (also known as "The Wedding Song") popular in the 1970s with lyrics based on Genesis 2:24.

"Well a man shall leave his mother and a woman leave her home;
They shall travel on to where the two shall be as one;
As it was in the beginning is now and 'til the end
Woman draws her life from man and gives it back again,
and there is love, there is love."

One of the songs at our wedding was Melody Dyer's "When Two Become One". It ends with the idea of "When three become one and Christ is the center; When three become one and Jesus leads the way."

As it was in the beginning is now and 'til the end. Male and female He created them. When three become one and Jesus leads the way. All are a part of God's creation and plan. May we thank God for His authoritative Word that guides us in our beliefs.

Oh Lord, like the song in our early service, may "your praise ever be on my lips". May I sing loudly like the Cicadas, but to praise you. And as we sang in our 11:00 worship " 'tis so sweet to trust in Jesus and to take him at His word...to rest upon His promise. "

Oh for grace to trust Him more.
