

HOW DO WE SHOW RESPECT TO GOD THROUGH LISTENING?

MEMORY VERSE:

Deuteronomy 30:14

“But the word is very near you. It is in your mouth and in your heart, so that you can do it.”

POST VIDEO DISCUSSION QUESTIONS:

How do we listen to God?

We listen to his Word, which is the Bible. Listening means not just hearing, but learning his Word and following what it says.

Why should we listen to God’s Word?

Everything God’s Word teaches is true. We want to show respect to God by listening and we need to know his truth to know how to live and love in ways that honor him.

OPTIONAL ACTIVITY

Play “Simon Says” with your preschooler. Say to them, “You have to be a really good listener to play Simon Says. Listening is also very important in learning about what God says. He tells us we can show love by listening to all the things he tells us in the Bible!”

Pray with your child: “Jesus, thank you for teaching me ways I can show respect to you by listening. Help me to listen to what you teach in the Bible and keep those words hidden in my heart.”
