

Pre-Video

1. What do you know about the Council of Nicaea?
2. What countries do much of the early Church grow & develop in?
3. How many Councils of Nicaea were there?

Post Video

4. Why was the first Council of Nicaea called?
5. What is a misconception about the first Council of Nicaea? Who called the Council?
6. What is the “Roman Tetriarchy”? What happened to it?
7. What happened to Contstantine at the Milvian Bridge?
8. How did the Edict of Milan shape the future of Christianity under Constantine's rule?
9. In 325 Constantine called the first “Council of Nicaea. What is interesting about the shape in which many of the attendees arrived? What is this a reminder of?
10. The Council of Nicaea is the first “Eccumenecal” council. What does that mean and why is it important? What was the major dispute that they discussed and what was it called?
11. Both sides of this argument appealed to what as their authority?
12. What is the Nicene Creed and what two things does it clarify for us?
13. What is the definition of scripture?
14. What is Plenary Verbal Inspiration?
15. Why would the word “choose” when it comes to books of the Bible be a poor choice for the early “Jesus community”?

Application

16. Has this strengthened or challenged the way that you view the Bible?
17. Many popular films & beliefs encourage that the Council of Nicaea is where books of the Bible were selected or the idea of Jesus was “invented”. How can you now stand firm on what history actually tells us to refute this claim?
