

What Happens When You Die: Heaven Is A Place On Earth - Revelation 21:1-7

Discussion Questions:

1. What were the highlights of Code Blue for you? What messages, points and songs have stuck with you? What changes have you begun to make in your life because of these services?
2. Who will go to heaven (John 6:40)? How are the words of Jesus in Matthew 7:13,14 sobering words? What two truths were shared to help lay the groundwork for this series? How does 1 Corinthians 2:9 remind us that we cannot know much about heaven? Where have many people gained their information and formed their opinions about heaven? What misconceptions have you heard?
3. What is the setting of the book of Revelation and story of its author John? Read Revelation 21:1-2. What will happen in regards to heaven and earth in the future (Isaiah 65:17, 2 Peter 3:13)? Read Revelation 21:3. What does God promise His relationship with His people will look like on the new earth? How does this mirror God's relationship with His people from creation and throughout history?
4. Read Revelation 21:4. What things will be "no more" in heaven? How will the removal of each of these "no mores" radically change things for you and people you know?

Reflection Questions:

1. Read Revelation 21:5-7. How is what God started in Genesis restored in Revelation?
2. How should the clear picture of the new heaven and new earth to come change things for us in the here and now? How should this affect the way we interact with other people? In what we prioritize? In how we function as a church?
