

Brave in Babylon

Daniel 1:1-8

Babylon^a

- Nebuchadnezzar pursued the fleeing Egyptians as far west as Jerusalem. His first visit to Jerusalem was short, for he hurried home in 605 B.C. because of the sudden death of his father. But before he finished, he would lay siege to the Holy City on at least three occasions and ultimately burn it to the ground. These occasions were:

- 605 B.C. He occupies the city, allows Jehoiakim (Josiah's son) to rule as his puppet king, takes some of the Temple treasures, and key royal seed to Babylon. Among this group of teenagers were Daniel and his three friends ([2 Chron. 36:6, 7](#); [Dan. 1:1-3](#)).
- 597 B.C. He comes again and takes the rest of the treasures to Babylon along with Ezekiel the prophet, King Jehoiachin (Jehoiachim's son), and 10,000 princes, officers, and chief men ([2 Ki. 24:14-16](#)).
- 586 B.C. He once more returns to punish the rebellion led by Zedekiah, Judah's last king. This time the walls are broken, the Temple destroyed, and the city burned. Zedekiah's sons are killed and he himself is blinded and carried into Babylon where he dies.

- 5) Purified and became a godly remnant from which came Christ.

4) The Refining Under Nebuchadnezzar

- Let's Refine Their LANGUAGE, LITERATURE AND LIFESTYLE So we can ultimately change their LOYALTY.
 - Nebuchadnezzar wanted them to be Jews on the Outside (to help him govern the Jewish people) but Babylonian on the Inside (to think like him and to hold values like the Babylonians).
 - The goal of secular education institutions today – Babylonians on the inside!
- HAVE YOU BEEN REFINED BY BABYLON?**

5) The Righteousness of Daniel, Hannaniah, Azariah, Mischael

- He did not Condemn, but he also did not COMPROMISE.
- Learn to say "NO" when the world says "YES"!
