“The Power of Surrender” Sunday Sermon with Rev. Deb Stovall, LUT, Sunday, Nov. 2, 11 am CST

As we continue to move through our study of the Twelve Powers, we realize the Power of Surrender is our path to freedom. It is only through letting go and letting God will we realize the Truth of who we are, God’s children. And as God’s children, we inherit abundance and all that God wants for us; God always desires the highest and best for each one of us. But we must do our part to realize our highest and best; we must surrender grievances, resentments, lack of forgiveness, worry and fear. All of these are obstacles to our freedom. The good news is that we are in control of removing these obstacles.

This Sunday at 11 am, you will have the opportunity to remove these obstacles that stand in your way. Through the ritual of release, we will let go of that which does not serve us and affirm that which raises us to a higher level of consciousness.

Thank you for your continued support of Unity of Dallas and our community outreach including Now Forward (formerly North Dallas Shared ministries) and the SoupMobile.
