“The Powers of Imagination, Will & Faith” Sunday Service with Rev. Deb Stovall, LUT,  
Sunday, Oct. 12, 11 am CDT

According to Catherine Ponder’s book, “Dynamic Laws of Prosperity,” there are two ways for your dream to become a reality. “The first way is will power and the second way, the better one, is use of the imagination. Will and imagination will both get for us what we wish. The difference is that imagination is stronger than will power.” She writes at the end of the chapter, ‘Your active imagination will soon take control of your will and put it in it’s place, if you will first take control of the imagination.’ “

This Sunday at 11 am, we will be learning how we can take control of our active imagination. Charles Fillmore defines “imagination” as “the power of imagination is the faculty of mind that images and forms; the power to shape and form thought.” What kind of thoughts are you allowing in your energy field, including your own? How do you raise the consciousness of your thoughts?

We all want to live at a high level of consciousness, but we must first raise the level of our thinking. Join me as we learn how to raise our levels!

The service includes chaplain Mary Chandler taking us into prayer and Aaron Gallegos as our platform assistant.

♪♪Our CommUNITY Singers sang “Attitude of Gratitude” and “I Dreamed of Rain”. Guest artist Melissa Logan performed “Rise Up” and “Hymn To Freedom”.♪♪
