“The Power of Love” Sun. Sermon w/Rev. Deb Stovall, LUT, Dec. 7, 11 am

Love, in Divine Mind, is the idea of universal unity joining everything in the universe together. Love is a principle. We often think love is only about relationships, but love is actually a state of consciousness.

The Apostle Paul wrote to his congregants at the church in Corinth the following: “Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It is not rude, it is not self-seeking, it is not easily angered, it keeps no account of wrongs. Love takes no pleasure in evil, but rejoices in the truth. It bears all things, believes all things, hopes all things, endures all things.” - 1 Corinthians 12:4-7

We hold a high consciousness by “being” love. “Being” love is a spiritual practice. Join me Sunday at 11 am to learn more about this spiritual practice of Love.

Thank you for your continued support of Unity of Dallas and our community outreach including Now Forward (formerly North Dallas Shared ministries) and the SoupMobile.
