“The Blessings of the Universe” Sunday Sermon with Rev. Barbara White, Sunday, Sept. 21,  
11 am CDT

Day by day we see a world that at times looks anything but friendly. Yet is that true Reality?  
Could it be that beyond the world we see daily there is something so much more to  
comprehend? Could it be that beyond the world of people, places and things there is a Universe  
that is always for us and never against us?

Join me September 21 at 11 am as we explore and open our hearts, minds, eyes and ears to  
perceive a different reality...to see Reality as it truly is. To see the Reality that Jesus our  
Wayshower saw and taught and the Reality that we teach in Unity!

Thank you for your continued support of Unity of Dallas and our community outreach including  
Now Forward (formerly North Dallas Shared ministries) and the SoupMobile.
