“The Journey of Discovery” Sun. Sermon with Dr. Nancy Little, LUT, April 19, 11 am

What if every day is a journey?

What if the same curiosity and openness we bring to travel could transform how we experience our lives?

As she prepares to leave for Ireland, Nancy has been reflecting on what we carry with us, not only in our suitcases, but in our consciousness. Along the way, she discovered that this journey is not only about exploring new places, but also about remembering, reconnecting, and honoring the threads of our lives that have shaped us.

Join Nancy this Sunday at 11 am as she explores how perspective, faith, compassion, and resilience can help us travel through each day with greater awareness, and how what we choose to carry can enliven our experience of life itself.

Thank you for your continued support of Unity of Dallas and our community outreach including Now Forward (formerly North Dallas Shared ministries) and the SoupMobile.
