“Living in the Light” Unity of Dallas Sunday Service w/Mindy Audlin, Aug. 16, 11 am

Living in the Light: Turning Inspiration into Creative Energy

Leaves do more than reach for the light—they transform it into energy that nourishes the whole tree. In the same way, inspiration becomes powerful when we put it into motion.

This Sunday at 11 am, we explore enthusiasm as the energy of creation—the spark that moves an idea from possibility into action. How do we nurture the ideas that energize us? How do we move from imagining what could be to actually doing something about it? And how can our individual contributions bring new life and energy to the communities around us?

When we live in the light, we don’t simply receive inspiration. We transform it into something that can grow.

The powerhouse alto Melissa Logan will be our guest musical artist.

Join us after the service for Coffee and Conversation in Fellowship Hall as we gather in friendship and gratitude.

You can attend in person or watch using Facebook Livestream.
