“Imagine the Possibilities” Sun. Sermon w/Rev. Barbara White, Jan. 18, 11 am

Dear Ones,

Einstein once said that “Imagination is more important than knowledge”. As we continue to move forward into this New Year, will it be a year of “same old same old”? Or will we take the time through our meditation and affirmative prayer to reimagine this year so it turns out to be a year like no other? A year filled with love of self and others. A year that overflows with Divine Order, Grace, Peace, Joy, Abundance and a deepening awareness that God is always for and never against us, no matter what. We get to choose!

Join me Sunday at 11 am as we explore ways that our Unity Principles offer us as we “Imagine the Possibilities” and thus re-imagine the highest and greatest good for our lives.

With love and blessings,  
Rev. Barbara
