“Imagine the Possibilities” Sun. Service w/Rev. Barbara White, Jan. 18, 11 am

Dear Ones,

Einstein once said that “Imagination is more important than knowledge”. As we continue to move forward into this New Year, will it be a year of “same old same old”? Or will we take the time through our meditation and affirmative prayer to reimagine this year so it turns out to be a year like no other? A year filled with love of self and others. A year that overflows with Divine Order, Grace, Peace, Joy, Abundance and a deepening awareness that God is always for and never against us, no matter what. We get to choose!

Join me Sunday at 11 am as we explore ways that our Unity Principles offer us as we “Imagine the Possibilities” and thus re-imagine the highest and greatest good for our lives.

With love and blessings,
Rev. Barbara

The service includes chaplain Louise Ross taking us into prayer.

Guest Artist: Brooke Stanton

Brooke Stanton studied vocal performance at CCCEPA in Atlanta, GA, and Indiana University. After years of performing in New York City and Los Angeles, she retired to raise her daughters. After moving to Dallas, her love of singing brought her back to the stage during a Friday Night Fusion Open Mic Night at Unity of Dallas.

Thank you for your continued support of Unity of Dallas and our community outreach including Now Forward (formerly North Dallas Shared ministries) and the SoupMobile.
