“The Journey of Discovery” Sun. Service with Dr. Nancy Little, LUT, April 19, 11 am

What if every day is a journey?

What if the same curiosity and openness we bring to travel could transform how we experience our lives?

As she prepares to leave for Ireland, Nancy has been reflecting on what we carry with us, not only in our suitcases, but in our consciousness. Along the way, she discovered that this journey is not only about exploring new places, but also about remembering, reconnecting, and honoring the threads of our lives that have shaped us.

Join Nancy this Sunday at 11 am as she explores how perspective, faith, compassion, and resilience can help us travel through each day with greater awareness, and how what we choose to carry can enliven our experience of life itself.

Guest Artist: Philip Bentham

Our Music Director, Philip Bentham, will be singing this Sunday. He recently performed as Captain Von Trapp in "The Sound of Music" at the Garland Cultural Arts Center. He graduated from Texas Tech with his Music Ed degree in 2000 and since then has been serving God through music.
