EQUIPPING FOR MINISTRY

School of Healing - Review of Week 3 - Testify

Testimony is sharing what God has done in your life.

Your testimony ***bears witness to the dynamic spiritual reality of God in your life.***

THE PURPOSE AND POWER OF TESTIMONIES

- Testimonies encourage praise.
- Testimonies introduce people to hope.
- Testimonies keep us close to God.
- Testimonies give us supernatural courage.

YOU HAVE A TESTIMONY – A STORY OF GOD’S GOODNESS TO SHARE.

You must not shrink back from *the reality that not everyone gets healed.*

You must learn to *persevere* through disappointment & discouragement.

DON'T GIVE UP!

Galatians 6:9

Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.

You respond by learning to press ahead and to continue despite the disappointments, discouragement and pain of the healing ministry.

Healing is part of the cross that Jesus Himself calls you to take up as you follow His example.

The healing ministry ***is truly costly***.

Luke 9:23 – *“If anyone desires to come after Me, let him deny himself, and take up his cross daily, and follow Me.”*

There is no resurrection life without the suffering of the cross.

Jesus commissions you as His disciples in **Matthew 10:7-8**...
*to **preach** the good news of the Kingdom, to **heal** the sick and to **cast out demons**.*

Lack of a healing ***does not disqualify*** you from continuing to accomplish Jesus’s great commission.

School of Healing - *Week 4 - Perseverance*

You **CANNOT** create a theology *based on your experience of what you have or have not seen.*

When your *theology* is based entirely upon what you see or do not see in your own personal experience, *disappointment becomes stronger than the truth of God's Word.*

You **CANNOT** allow *your experience with disappointment to detour you from what Jesus clearly told you to do.*

Jesus *told you* to pray for the sick and *that is what you must do!*

Your responsibility is simply to *preach* the Word of God!

PRAY FOR TWO THINGS:

More *power* and more

You need both *God's heart* and *God's power* to fully continue the healing ministry of Jesus.

Let's pray together:

Father,

I ask You to keep me humble, give me Your compassion and Your heart for the lost and the sick, and finally, give me the power of Your anointing to do something about it.

Amen.

You must not *deny* the sick the chance to be healed because *you have experienced disappointment.*

You must *leave the results* of your prayers in God's hands where they belong.

You must *be willing to embrace* emotional suffering and be willing to say, "I don't know."

You must not get *discouraged* by what *you don't see happening.* *Continue to pray for the sick,* taking up your cross and *following Christ.*

You must *keep praying* and *trust the results to the Healer.*

God is calling you out beyond the comfortable and beckoning you into *a lifestyle of taking up His cross.*

- He is **calling you** to be on fire with the Holy Spirit and His power.
- He is **calling you** to be bold and power-filled.
- He is **restoring you**, as His church, to an authentic expression of New Testament signs, wonders and miracles.
- God's **anointing** is a call to radically follow the model of Jesus Christ.
- Draw from the **deep well** of His strength and ability.

Chris Gore addresses Disappointment...

Let us pray for *a fresh baptism of the Holy Spirit* to give us
The *power to work miracles*, and
the *power to walk through the darkness* when
the *miracles do not come*.

*We should expect a lifetime of continuous, increased
anointing.*

Press through *from* disappointment *to* Obedience.

DON'T GIVE UP!
