

21 Days of Prayer Day #9 05 24 16

Good Morning Church:

Our apologies for not producing the prayer guide last night. I, John, was in meetings all day and well into the evening.

Today we should begin earnest prayer for spiritual revival in our lives personally and in our church corporately.

We, as a church, have been blessed greatly in recent months. We should be grateful to our heavenly Father and we should now press in for revival.

Please pray through **Isaiah 64:1-3. Apply this scripture to yourself, our church and our community.**

May the Lord answer our prayers in Jesus' Name.

Blessings

Pastor John & Shirley
