Elisabeth Kübler-Ross

(July 8, 1926 – August 24, 2004) was a Swiss and American psychiatrist, a pioneer in near-death studies, author, and developer of the five stages of grief, also known as the "Kübler-Ross model".

You will praise Him...
Every knee will bow...

ISAIAH 61:1-4

The Spirit of the Sovereign Lord is on me. because the Lord has anointed me to proclaim good news to the poor He has sent me to bind up the brokenhearted, to proclaim freedom for the captive and release from darkness for the prisoners, to proclaim the year of the Lord's favor and the day of vengeance of our God, to comfort all who mourn, 3 and provide for those who grieve in Zion— to bestow on them a crown of beauty instead of ashes, the oil of joy instead of mourning, and a garment of praise instead of a spirit of despair. They will be called oaks of righteousness, a planting of the Lord for the display of his splendor. 4 They will rebuild the ancient ruins and restore the places long devastated; they will renew the ruined cities

Closing Prayer

Oh My God, I am deeply sorry, for having offended You. And I detest all my sins, because I fear the loss of heaven, and the pains of hell; But most of all, because my sins offend You, my God, who are all good and deserving of all my love. I firmly resolve, with the help of Your Grace, to sin no more and to avoid whatever leads me to sin. Amen
