

# The Complete Anatomy of Man

**Body** = Soma (G4983, H1472). Has the bios (G979) life. Formed (yatsar - H3335) from the dust as our outward form (Gen 2:7). Our outward organ containing *world/physical consciousness* for contacting the *material realm*. Distinct from the soul – Matt 6:25, 10:28.

**Soul** = Psuche (G5590, H5315). Has the psuche (G5590) life. Was not created but “Became” (hayah - H1961) from the combination of the human spirit with the human body, as a result of the “breath of life” (H5397+H2496) being breathed into the physical body. Our very “self” containing *psychological consciousness*, which includes “self” consciousness, for contacting the *psychological realm*. “Soul” is used interchangeably with “self” (Matt 16:25 and Luke 9:25) and is used in reference to “I” (ego – G1473). Our soul reflects and expresses the content of our human spirit (2 Cor 3:18). Distinct from the human spirit – Heb 4:12, Ph 1:27, Luke 1:46-47, Is 26:9.

**Spirit** = Pneuma (G4151, H7307). Has the zoe (G2222) life. God’s “breath of life” (H5397+H2496) became man’s spirit once it entered the physical body, to be our inward organ for contacting the spiritual realm, specifically God Himself, who is Spirit, that man may live in an organic union with God to fulfill God’s purpose. Our inward organ containing God consciousness for contacting the spiritual realm, specifically God Himself, who is Spirit, to contact (Rom 1:9), receive (1 Cor 6:17), contain (2 Tim 4:22), and assimilate God into our entire being that man may live in an organic union with God to fulfill God’s purpose.

**Outer Man** – “*Old*” Man (Col 3:9, Eph 4:22, Rom 6:6)  
Sarkikos (G4559), “*fleshly*”; the person in which the flesh is the ruling principle. Sometimes translated “*carnal*” (1 Pet 2:11, 2 Cor 1:21, 1 Corinthians 3:3).  
Psuchikos (G5591), “*soulish*”; an animalistic or physical body governed by the soul, animal, or fallen instinct of man (1 Cor 2:14, Jas 3:15, Jude 1:19).

**Heart** – Mk 12:30, Col 3:5  
Kardia (G2588) and Leb(ab) (H3820, H3824). Contains all 3 parts of our soul, plus our conscience, the leading function of our human spirit:

- *Conscience* – Rom 2:15, Heb 10:22, 1 Jn 3:20
- *Mind* - Matt 9:4, Gen 6:5, Heb 4:12
- *Emotion* - Jn 16:6, 22
- *Will* – Acts 11:23, Heb 4:12

**Inner Man** – (2 Cor 4:16, Rom 7:22, Eph 3:16)  
“*New*” Man (Eph 4:24, Gal 6:15, 2 Cor 5:17)  
Pneumatikos (G4152), “*spiritual*”; spiritual, governed by the divine quality in man, the spirit (Rom 7:14, 1 Cor 10:3).

Outer Man vs Inner Man (2 Cor 4:16)  
Soulish vs Spiritual (1 Cor 15:44-46)  
Flesh vs Spirit (Rom 8:6)

The “breath of life” (H5397+H2496) is not the eternal life of God nor the Spirit (H7307) of God, which man did not receive until Christ’s resurrection (Jn 20:22), but because the human spirit came out of God’s “breath of life” (“after its kind”) there can be a transmission between our human spirit and God the Spirit.
