### **John 10:9-10 TPT**

*I am the Gateway. To enter through me is to experience life, freedom, and satisfaction. A thief has only one thing in mind—he wants to steal, slaughter, and destroy. But I have come to give you everything in abundance, **more** than you expect—life in its fullness until you overflow!*

1. If you don't know the people at your table, introduce yourself including your: name, city where you live, and a "10-second tell" about how you connected to River of Life.
2. When we talk about gaining the **more** God has to give, what does that mean to you?
  - Have you ever thought about more as less? In what sense?
3. Paul talked about learning to find contentment in any situation.
  - What situation in life do you currently feel most content in?
  - What situation do you currently feel least content in?
  - Is there something in that situation you could have/do less of?
4. In what area do you need to step out of a comfort zone (*or an area of life that has become too comfortable/routine*) in order to step into God's contentment?
5. God will never overpromise and underdeliver. Do you have, or can the people at your table help you find, a scriptural promise you can trust as you step out in faith?
