an activity that explores ideas through the process of drawing, building, designing, and problem-solving

*Before kids arrive, take a few moments to pray for them. Pray for those who might visit your group for the first time. Pray that each child would begin to understand that no matter what he or she is good at (or not good at), God equipped every one of us with some type of imagination and creativity. Pray that you would be able to encourage the kids that God made them for a specific purpose; all they have to do is do what they love and allow God to use those efforts for His glory.*

**WHAT YOU NEED:** No supplies needed

#### WHAT YOU DO:

- Guide kids to gather around you and curl up on the floor, closing their eyes.
- Say, "Long ago, before you were ever born, God knew you and loved you. He knew that He would create you, and He knew that you would be the incredibly special person you are. And one day, the time came for you to be born."
- Guide kids to pantomime growing from babies to the age they are now.
- You can guide them through the following developmental milestones: (Be sensitive to any children in your group who are not meeting the same developmental milestones as their peers and adjust the list below as needed.)
  - Smiling
  - Rolling from back to stomach and stomach to back
  - Holding their toes while lying on their backs
  - Shaking a "rattle"
  - Sitting
  - Crawling
  - Saying, "Mama" and "Dada"
  - Walking
  - Throwing a "ball"
  - Drinking from a "cup"
  - Running, jumping, and climbing
- Next, lead kids to pantomime things they can do now.
- Encourage them to pantomime things they enjoy doing: playing soccer, drawing, playing video games, reading, or building with blocks.
- Comment on what each kid is doing and how it's creative.

#### WHAT YOU SAY:

"God created you! You are His VERY SPECIAL creation. And you know what? Long ago, God knew all about you. He knew when you'd smile, when you'd crawl, and when you'd take your first step. He also knew that you'd love to play video games, draw, or build. He not only KNEW that you'd love to do those things—He CREATED you to do them. Wow!

"God created you exactly the way that you are! You are His special masterpiece. And you know what? **God created you, so you can be creative.** You can use all the things you like to do to love God and show others what He's like. You can praise Him by doing what you're good at and doing what you like. So, remember: **God created you, so you can be creative.**"

[LIVE FOR GOD | APPLICATION ACTIVITY]

**WHAT YOU NEED:** Cardstock, markers, crayons, and colored pencils

### WHAT YOU DO:

- Show kids how they can use markers, crayons, or colored pencils to trace their hands onto cardstock.

  - We are His special, favorite creation—we are His masterpiece, His BEST work of art!
  - Emphasize that since God created us, we can be creative, too.
- Encourage kids to name ways they are creative.
  - They may say that they're good at art, dancing, or music, but be sure to help them think outside the box, too.
  - Solving puzzles; building amazing things with blocks or toys; being a whiz at technology; thinking of ways to help animals; caring for the world God made; cheering up someone who is sad; or helping friends get along
- Lead kids to draw or write within their handprint the way(s) that they're creative, then invite them to decorate their handprints as they choose.

- Their creativity is the only limit!

### WHAT YOU SAY:

"You are God's special creation. There's NO ONE exactly like you. And you know what? **God created you, so you can be creative.** And God wants you to use your creativity to change the world around you! You could draw a picture to cheer up a friend who is sad. You could bake cookies with your mom and deliver them to a neighbor who is sick. You could say good things to encourage your teammates, or you could collect blankets for the animal shelter.

**[Make it Personal] (Tell kids about a time you used your creativity to show others who God is and what He's like.)**

"This week, how could you use your creativity to show others who God is and what He's like? (Pause for responses.) Good ideas! You can come up with creative ideas because **God created you, so you can be creative.**"

### WHAT YOU DO:

Look around at all the different hair colors we have. Even though a few of us have brown hair (*adjust based on your group*), we still have different shades of brown. We were all created differently, but one big thing we have in common is that we were all made in God's image. **[Transition] Let's head to Large Group to see what being made in God's image has to do with our creativity.**"

## 1. CREATIVE BINGO

[LIVE FOR GOD | APPLICATION ACTIVITY]

**WHAT YOU NEED:** "BINGO Templates" Activity Page, index cards, markers or pencils, and Bingo markers

### WHAT YOU DO:

- As a group, make a list of at least 15 things that people are good at doing (dancing, swimming, singing, writing, baking, reading, designing, building, helping etc.)
- Prompt kids to include things they enjoy doing.
- As kids share their ideas, write each one down on an index card.
- Give kids a "Bingo Template" and set out the index cards where everyone can see them.
- Encourage kids to fill in the empty squares with ideas from the cards. If necessary, kids can use the same idea for multiple squares.
- When kids finish filling in their bingo card, play a game of Bingo.
  - Explain that the middle space, "Made in God's Image," is a free space.
  - Shuffle the index cards.
  - Ask a kid to draw a card and read it to the group.
  - Kids put a marker in the square on their bingo card that matches the index card drawn.
  - Shuffle the index card back into the pile.
  - Ask someone else to draw the next card and read it to the group.
  - Players put a marker in the square on their bingo card that matches the index card drawn.
  - Make sure everyone gets a turn drawing a card.
  - Players can only place one marker for each card called. (If a kid wrote "dance" in three squares, the "dance" index card must be drawn three times to mark all three squares.)
  - The first player with five in a row wins.

## 2. BAG OF GOOD WORKS

[TALK ABOUT GOD | BIBLE STORY REVIEW]

**WHAT YOU NEED:** "Bag of Good Works" (Activity Page) cards in a bag or good works items in a bag

### WHAT YOU DO:

- Pair kids up.
- Ask pairs to pick an item or card out of the bag.
- Give pairs a couple minutes to brainstorm a few ways the item could be used to creatively love God and love others.
- Allow time for them to share and discuss their ideas, whittling it down to one idea to share with the whole group.
- As the pairs share what they came up with, encourage kids to listen for an idea of something they could do this week.
- *Optional: To make it a competition, instead of teams selecting an item themselves, hold up an item or card and the first team to jump up gets an opportunity to suggest a way the item could be used to creatively love God and others. Award a point to each team that provides a "reasonable" way to use the item to do good works.*

### WHAT YOU SAY:

"Since we are made in God's image, each of us reflects a bit of God and God's creativity. It is important to remember **God created you, so you can be creative**, too. Figuring out what you are good at doing is a great way to discover how you can creatively help others. How can we figure out what we are good at? (*Ask someone. Try different things. Ask God. Think about what you enjoy doing.*) There are so many ways you can use your creativity to do good works and help others. If you like to build things, you could use your creativity to build a tool box for a friend or build a fort for your brother. If you enjoy baking cupcakes, you could use your creativity to bake treats for your classmates or for a new neighbor. Maybe, you enjoy rap music and could use your creativity to write a rap praising God then share it with your family. God made each of us to do good works to help others out."

[HEAR FROM GOD | MEMORY VERSE ACTIVITY]

**WHAT YOU NEED:** "Memory Verse Cards" Activity Pages, masking tape, and Bibles

**WHAT YOU DO:**

- Give each kid a Bible and look up the memory verse, Psalm 145:3. Use the tips from Week One for finding verses with 2nd and 3rd graders.
- Read the verse together.
- Divide the group into two teams.
- Using masking tape, create a start line.
- Line up teams at the start line.
- Place a set of "Memory Verse Cards" across from each team and tell kids they will race to be the first team to collect all the cards.
- When you say, "Go," the first kid on each team runs to the cards, grabs one, and quickly brings it back to his team.
- As soon as the first kid returns, it's the next kid's turn, and so on until one team has all the cards.
- During the relay, randomly shout out ways for kids to move to the cards like skip, tiptoe, gallop, crab walk, hop, crawl, walk backward. Wherever they are, the kids must start moving whichever way you call out.
- The first team to collect all the "Memory Verse Cards" and put them in the correct order, wins.

When God made us in His image, He gave each of us the ability to think, act, and feel a bit like Him. He also gave us the ability to be creative. What are some creative ways you could praise God for how great He is? **MADE TO CONNECT**

an activity that invites kids to share and collaborate with others while growing their understanding

*Before kids arrive, take some time to reflect on your own about God's creativity, thanking him for the amazing world he has created for us to enjoy. Ask Him to give you insight into ways that your kids are creative and how to draw those things out of them so they can see how creative God has made them to be.*

**TODAY'S BIBLE STORY**

**Place in This World**

We Are God's Creation  
Ephesians 2:10

**TODAY'S KEY QUESTION**

**How are you creative?**

**MONTHLY MEMORY VERSE**

**Lord, you are great.  
You are really worthy of praise.  
No one can completely  
understand how great you are.**  
Psalm 145:3, NIV

**MONTHLY LIFE APP**

**Creativity—Imagining what  
you could do because you're  
made in God's image**

**BASIC TRUTH**

**I can trust God no matter what.**

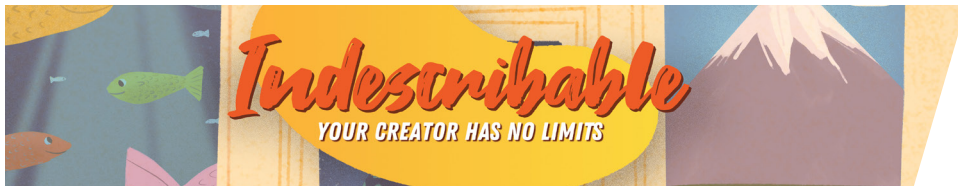

**1. JUST FOR FUN**

**WHAT YOU NEED:** Offering container, "Wordless Conversations" Activity Page, pens

**WHAT YOU DO:**

- **Pair** kids up with someone they don't know very well.
- **Give** each partner a pen and a copy of the "Wordless Conversations" Activity Page.
- **Direct** them to ask their partner the questions on the activity page.
  - The challenge is that they cannot speak; they must communicate without using spoken or written words.
  - In other words, they can't trade papers and simply write in their own answers to the questions.
  - (They can, however, point to the question they're asking. But the partner can only give a "charades-like" answer.)
  - **Tell** kids to fill in the answers they are given from their partner, even if they have to guess what their partner is trying to communicate.
- **When finished**, bring everyone together.
- **Invite** each person to introduce their conversation partner and read the answers to the questions they asked.
  - If the answer isn't the one they were trying to give, let the partner clarify so that kids are getting to know one another.

**2. OPENING ACTIVITY**

**WHAT YOU NEED:** Prepared bags (see Getting Ready for context)

**WHAT YOU DO:**

- **Give** each kid a bag with the materials you've gathered.
- **Tell** kids to create something using all of the supplies.
  - They can create anything they like, as long as they use all or most of the supplies given and as long as they can finish in the amount of time you have for this activity.
- **Bring** kids together after a few minutes of working on their ideas and let them show off their creations.
- **Observe** the variety of creativity that came from the same supplies.

**How are you creative?**

**MONTHLY MEMORY VERSE**

**BASIC TRUTH**

**WHAT YOU SAY:**

"It was fun to watch as you came up with so many unique ideas for using all of those random supplies. It's exciting to know that God created us with the ability to be creative. Imagine what it would be like if we didn't have the capacity to come up with new ideas, think outside the box, or make things. We'd never be able to solve a problem, build, invent, or make life better. The world would be a very dull place and it would never change. How awesome of God to give us the gift of creativity. **[Transition] Today we're going to go deeper into the topic of creativity to discover more about the image of God that is in each of us.**"

## 1. TAKE A SNAPSHOT [LIVE FOR GOD | APPLICATION ACTIVITY]

**WHAT YOU NEED:** "I Got Skills" Activity Page, pens

**WHAT YOU DO:**

- **Give** each of the kids a pen and a copy of "I Got Skills" Activity Page then spread out around the room.
  - Without letting others seeing their answers, tell kids to circle the boxes that describe things they feel they are good at and put an "X" in the ones they are not.
  - They can also use the blank boxes to write in additional skills are not included in the other boxes.
  - When finished, have them write their name one the line provided and then fold them in half.
- **Collect** all the papers and pass them out again in random order.
- **Invite** kids to take turns reading from the "I Got Skills" sheet you gave them without revealing whose it is.
  - They can say something like, "This person is good at [read the boxes that are circled] but not as good at [read the boxes that have the "X" in them]."
  - Before revealing who the person is, let the others guess which kid they think the profile belongs to.
- **Continue** until all the profiles have been read.
- **Collect** the activity pages to use again in "Bible Story Extension."

#### WRAP UP AND SAY:

"You've Got Skills! It's true. God has given each person their own special brand of creativity. You may already know what some of your talents are, or maybe you have gifts just waiting to be discovered. Pay attention to the things you enjoy doing. What are you good at—without even trying? Or maybe you don't feel like you're good at much. Ask some people who know you best to suggest things they feel you're good at. Sometimes family members, teachers, coaches, or Small Group leaders can see things in us that we don't see. It's exciting to keep discovering and developing our creativity. Keep trying new things to find out what you're good at then ask God to show you ways to use those skills for Him. There's no limit to the different opportunities you'll find. So, get creative!"

**2. BIBLE STORY EXTENSION**

[TALK ABOUT GOD | BIBLE STORY REVIEW]

**WHAT YOU NEED:** Bible, "I Got Skills" Activity Page completed in "Take a Snapshot"

**WHAT YOU DO:**

- **Name** an invention kids are familiar with and let them share/guess why they think it was created.
  - What problem did it solve?
  - What good thing came from it?
  - How did it make life easier or the world a better place?
- **Use** ideas from the list below or others you think of. Let kids name some as well.
  - shoes
  - cars
  - umbrella
  - soap
  - socks
  - spoons
  - crutches
  - pockets
  - locks and keys
  - paper
- **Read** and discuss Ephesians 2:10.
  - In what ways are we God's creation or handiwork?
  - Like the inventions we talked about earlier, we were created for a purpose, too. Why do you think God created people?
  - What do you think are some of the "good works" God created you to do?
  - What skills do you have that could help you do good things for God?
- **Hand out** the "I Got Skills" activity page kids filled out earlier.
- **Remind** the group of things they learned about one another's individual talents and abilities.
- **Challenge** the kids to suggest creative ways each person could respond to the following scenarios by using the things they're good at and enjoy doing.
  - You want to help your neighbor who lost his dog.
  - You want to encourage a friend's grandma who is sick.
  - You notice that the kid you sit next to in class seems really sad.
  - The house of someone in your town burned down.
  - You want to invite your friend to small group.
- **Encourage** kids to share stories of situations similar to these in which they or someone they know used their skills to do good for someone else.
- **Tell** them that when they feel like they're not creative or good at something, all they have to do is ask their Creator to show them something He made them to do.

**3. DISCUSSION QUESTIONS**  
[TALK ABOUT GOD | BIBLE STORY REVIEW]

**WHAT YOU NEED:** No supplies needed

**WHAT YOU DO:**

**Ask:**

- Why is it important to know that God created you?
- Does believing that God created you make a difference in the way you live? Why or why not? If it does, in what ways?
- If the only verse you knew was Ephesians 2:10, what would you know about God based on that single verse? What would you know about people?
- Picture the world without creativity. What would change if God had not given us the ability to be creative?

## 4. VERSE TO TAKE WITH YOU

[HEAR FROM GOD | MEMORY VERSE ACTIVITY]

**WHAT YOU NEED:** Bible, bookmark, prepared bags (see Getting Ready for context)

#### WHAT YOU DO:

- **Sit together** in a circle.
- **Remind** kids that creativity is part of who they are. God gave them the ability to think of unique ways to use what they're good at to serve Him.
- **Invite** a volunteer to read 1 Peter 4:10 to the group.
- **Ask** the group:
  - Explain this verse and use the word "creativity" in your explanation.
  - What first comes to mind when you picture yourself using your gifts to serve others?
  - Talents, abilities, and skills are gifts, but what else does God give to help us serve Him? (*time, possessions, love for others, love for God*)
- **Mark** 1 Peter 4:10 with the bookmark and close the Bible.
- **Place** the bags and the Bible in the middle of the circle.
- **Explain** that each bag contains a different item that, like a talent, could be used in some way to help them serve God.
  - They will take turns choosing and opening a bag.
  - **Tell** them to use their creativity to think of a way the object could be used to serve God by doing good in some way.
  - Before each turn, ask the person opening a bag to turn to 1 Peter 4:10 and read it aloud.
  - Continue around the circle until each person has read the verse and opened a bag.
- **Remind** kids that they've been given something better than (*name some of the items in the gift bags.*).
  - God created them in His image with the capacity to discover new things, come up with amazing ideas, build, invent, fix things, write, draw, sing, plan . . . there's no end to the possibilities of ways they can use their talents for good if they are willing.

**5. MAKE IT PERSONAL WITH PRAYER**

**WHAT YOU NEED:** Bible

**WHAT YOU DO:**

- **Remind** your group that God created them with care and love. They are made in His image and are given the job of doing good with all that He has given them.
- **Read** Ephesians 2:10 then use it as a wrap-up prayer by pausing to let kids think about the words.
- **Encourage** everyone to pray silently or to interject their own short prayers as you lead them.
  - "Dear God, thank you for the promises we heard today from Ephesians 2:10 that says we are Your creation." *(Invite kids to thank God for creating them in His image.)*
  - "You created us to belong to Christ Jesus." *(Invite kids to consider whether they know Christ as Savior. If they are not sure, encourage them to talk with you later.)*
  - "Because of Jesus, we can do good works." *(Invite kids to ask God to show them ways to serve and love Him this week.)*
  - "Long ago, You prepared these works for us to do." *(Invite kids to ask God to lead them in His plan.)*
  - "Thank You for the way You forgive us and give us what we need to make a difference in the lives of others. We love You. In Jesus' name we pray, amen."
