Place it & Leave It

Hebrews 12:2 (MSG) Keep your eyes on Jesus, who both began and finished this race we're in. **Study how he did it.** Because he **never lost sight** of where he was headed—that exhilarating finish in and with God—he could put up with anything **along the way**: cross, shame, whatever. And now he's there, in the place of honor, right alongside God.

John 19:30 "It is finished."

Lesson 6: Be assured, there is a _____ and an _____.

Joshua 6:1-3 Now Jericho was shut up inside and outside because of the people of Israel. None went out, and none came in. And the LORD said to Joshua, "See, I have given Jericho into your hand, with its king and mighty men of valor. You shall march around the city, all the men of war going around the city once. Thus shall you do for six days."

Keys to a Breakthrough:

1. Choose a _____ for your breakthrough.

Galatians 1:10 For am I now seeking the approval of man, or of God? Or am I trying to please man? If I were still trying to please man, I would not be a servant of Christ.

Romans 8:37 No, despite all these things, overwhelming victory is ours through Christ, who loved us.

2. Build faith for your _____.

Joshua 5:13-15 When Joshua was near the town of Jericho, he looked up and saw a man standing in front of him with sword in hand. Joshua went up to him and demanded, "Are you friend or foe?" "Neither one," he replied. "I am the commander of the Lord's army." At this, Joshua fell with his face to the ground in reverence. "I am at your command," Joshua said. "What do you want your servant to do?" The commander of the Lord's army replied, "Take off your sandals, for the place where you are standing is holy." And Joshua did as he was told.

3. Walk in _____ until your breakthrough.

Joshua 6:3-5 You and your fighting men should march around the town once a day for **six days**. Seven priests will walk ahead of the Ark, each carrying a ram’s horn. On the seventh day you are to march around the town seven times, with the priests blowing the horns. When you hear the priests give one long blast on the rams’ horns, have all the people shout as loud as they can. Then the walls of the town will collapse, and the people can charge straight into the town.
