## **2LBCF Chapter 2, Para 1**

The Lord our God is but one only living and true God; whose subsistence is in and of Himself, infinite in being and perfection; whose essence cannot be comprehended by any but Himself; a most pure spirit, invisible, without body, parts, or passions, who only hath immortality, dwelling in the light which no man can approach unto; who is immutable, immense, eternal, incomprehensible, almighty, every way infinite, most holy, most wise, most free, most absolute; working all things according to the counsel of His own immutable and most righteous will, for His own glory; most loving, gracious, merciful, long-suffering, abundant in goodness and truth, forgiving iniquity, transgression, and sin; the rewarder of them that diligently seek Him, and withal most just and terrible in His judgments, hating all sin, and who will by no means clear the guilty.
