Question 1: Who is the first and chiefest being?

Answer: God is the first and chiefest being.

Question 2: Ought every one to believe there is a God?

Answer: Everyone ought to believe there is a God; and it is their great sin and folly who do not.

Question 3: How may we know there is a God?

Answer: The light of nature in man and the works of God plainly declare there is a God; but his word and Spirit only do it fully and effectually for the salvation of sinners.
