**“Jesus, the True and Better Stick and Axe”
November 6th, 2023**

2 Kings 6

- 1. Greg said that Elisha received the mantle of Elijah; Elisha even surpassed Elijah in miracles. Greg then said that this picture of Elisha surpassing Elijah reflects the New Testament Church.** In what ways might this be true?
- 2. Greg quoted Isaiah 11, which reflects what will happen when the New Kingdom comes. Read that passage and then consider the following question:** What do you most look forward to about the New Kingdom?
- 3. Greg talked about the prophecy of Jesus coming– that “from the stump of Jesse” a Messiah would come. The phrase “the stump of Jesse” indicates all the ways that Jesus would come from weak or dead places.** Have you seen the Lord bring something powerful from an unexpected place in your life? How so?
