I Chronicles 14 & II Chronicles 20

1. **Rick described the necessity of waiting on the Lord as we build His kingdom. Our adversary wants us to do one of two things when we wait on the Lord: numb ourselves or move forward in our own strength and wisdom.** Which of these options feels more tempting to you in seasons of waiting? How have you seen that play out in your life?
2. **Rick shared about his recent journey of waiting. Rick then said, “None of us want the culture that is to come on our own terms. We must abide in Him.”** Practically speaking, what does abiding look like in your life?
3. **Read 2 Chronicles 20:31-34.** What are some of the “high places” that might tempt you to stray from following the Lord in this season?

Take Your Next Step of Faith. What next step of faith will you take in response to today’s teaching?

Prayer Prompt:

Think back to question three. Pray for the Lord to conquer every high place that might come against you walking in His ways. Have each member of the group pray for the person to his/her right. Before you begin to pray, have each member briefly recap the high place they shared. Then pray for one another.
