October 1, 2023

Joshua 3

- 1. Before Greg’s teaching, Rick shared about the movement of God at Fellowship church. He said, “When it comes to the work of the Kingdom, the Spirit does all the heavy lifting.”** According to Scripture, what are some ways the Holy Spirit helps the people of God advance the Kingdom of God?
- 2. Greg showed the route the Israelites took after leaving Egypt. He said, “God doesn’t take us on the shortest route. He takes us on the route that makes us most dependent on Him.”** Can you relate to this? What might be an example of this from your own life?
- 3. Propitiation means “it’s like sin never happened.”** Is this your experience when you seek to draw near to God? If not, what are some ways you struggle to fully trust the work of propitiation?
