

Sermon Guide

“Jesus, the True and Better Noah”

September 10, 2023

“¹⁶ And those that entered, male and female of all flesh, went in as God had commanded him. And the LORD shut him in.”

Genesis 7:11-16

- 1. RD described the power sin has over us because of the fall. We don't just experience internal brokenness; apart from the power of the Holy Spirit, we often experience a powerlessness over sin.** Does that resonate with you? In what ways?
- 2. RD said that sin breaks God's heart; it is a relational betrayal. He then said God weeps before He expresses His wrath.** Does that reframe your view of God's response to sin? How so?
- 3. RD described 5 realities of grace: it is surprising, seeking, securing, shaping, and sacrificial.** As a group, share what you remember about each of these attributes. Then share: which one feels most meaningful to you in this season, and why?
- 4. RD said that Jesus is the better Noah.** In what ways is this true?
