Won't You Be My Neighbor Message Series

Integrity
for **Parkland** the week of October 20, 2019

1. Can you recall a time where you were trusted with something and it just didn't go right? What didn't go right and was there anything that could have been done to prevent it?
2. What did it take to recover from that moment?
3. Today we are talking about integrity. What is a definition of integrity that we use day in and day out, not just the dictionary definition?
4. Does integrity mean perfection?

Read 2 Corinthians 8:16-21

5. How did Paul describe Titus?
6. How would you describe the role that Titus was given?
7. That was a lot of responsibility given to Titus. How do you think Titus prepared for a job like that?
8. What might it look like to prepare yourself for the roles that God will put you in?
9. How is preparation different from performance?
10. Why does integrity matter?
11. Part of having integrity is opening up your life for God to work. How can we be praying for each other this week as we let God into our lives?
