

After the killing of Abel the shepherd second son of Adam and Eve

Genesis 3:9 parallels Genesis 4:9

In both passages God is asking man a question.

3:9

But the LORD God called to the man and said to him, "Where are you?"

4:9

Then the LORD said to Cain, "Where is Abel your brother?" He said, "I do not know; am I my brother's keeper?"

Where are you?

Where is your brother?

V 10

And he said, "I heard the sound of you in the garden, and I was afraid, because I was naked, and I hid myself."

V 10

And the LORD said, "What have you done? The voice of your brother's blood is crying to me from the ground.

The sound (voice) of God is in the Garden and God is angry

The voice of blood is in the ground crying to God

This is hereditary sin, where the

tendency towards sin, is passed down through human generations.

Cain is committing sin like his father Adam did. He is bringing death into the world just as the original sin also brought death into the world and now Cain is excusing himself from his sinful actions just as Adam his father did.

Cain received a sentencing

4:14

Behold, you have driven me today away from the ground, and from your face I shall be hidden. I shall be a fugitive and a wanderer on the earth, and whoever finds me will kill me.”

The offering Cain should have brought of course should have been animal and not plants and fruits. The strength of the ground came from the fluttering/activation of the water which Holy Spirit hovered over in Genesis 1

This is the prelude to the created kinds coming from the water and land that the water began to touch and cover through springs.

Cain is in charge of enslaving the ground

Making sure it produces. Remember this is the ground that produced life, every walking kind creeping kind.

This is the that same land God used.

When Cain is cursed the ground is cursed first.

Next Cains lineage is outlined

4:23-24

23 Lamech said to his wives:

“Adah and Zillah, hear my voice;

you wives of Lamech, listen to what I say:

I have killed a man for wounding me,

a young man for striking me.

24 If Cain’s revenge is sevenfold,

then Lamech’s is

This is hereditary sin

Noah is considered a righteous man and comes from the line of Seth not Cain

V28

When Lamech had lived 182 years, he fathered a son v29 and called his name Noah, saying, “Out of the ground that the LORD has cursed, this one shall bring us relief from our work and from the painful toil of our hands.”

Came from this lineage

The Spirit of Cain is jealous, envious and possessive, breaking the rules and creating their own standard of sin.

Noah was born for a reboot, a do over, a reset.

The spirit of Cain produced a society that eventually was known as the Nephillum

We deal with the Nephillum spirits today.

The combination of Cain's descendants and fallen angels reproducing and then being disembodied.

Murder, jealousy, polygamy, envy, not doing well is the spirit of Cain in action.

Comes to take away all freedom through certain death. The Father of lies is the originator and infiltrated the first family in the earth and Cain was produced as the first born to mankind. Cain is a first like his Father Adam and Jesus was also a first and brought redemption.

The spirit of Cain is rising but we overcome by our testimony for greater is He that is in us than he that is in the world

They can not take your relationship with God. It can not be removed or out to death.

They can take away your ability to gather, speak out, and other religious freedoms while other religions will enjoy continued freedom. Don't be dismayed for the more they attempt to silence the church the ekklesia the remnant of God, that same group will arise and overcome. It's the pressure that causes us to be released into the ground once again and take dominion.

For there is a stirring in the land a turning over of the ground in the earth and we have an opportunity to experience His face his presence In the land on the ground. Miracles signs and wonders will coincide with order. As the first day of the year approaches Rosh hashana starts at sundown Monday, Sept. 22 and continues through sundown Wednesday, Sept, 24.

Rosh Hashanah, or "Head of the Year," marks the Jewish New Year of 5786. It also celebrates the birth of the universe and the creation of Adam and Eve.

This is why we have seen so much significant murder death.

This is the Head of the year and begins in the evening of Monday with 10 days of repentance and ends with a one day fast. Repent and God draws near or nigh to you. For the fire inside you is about to blaze and the heat will be felt for miles around.
