

We are presence driven

We must gain the advantage. We must fast to the finish. We must never stop and give in. It is not a time for weakness but a time for faith. It is

Not a table of emptiness but portions being divided and distributed.

Silencing the Apostle and prophets

There has been a release from the pit of hell to silence the church and her authority in the earth through silencing her voice, the apostle and prophet.

This is not the sound of the bride of Christ. The other is the song of the church. Removing your ability to sing within a strange land. They cease to exist in famine.

There has been uneasiness and disgruntled souls within our walls

There has been a division of soul and spirit rather than a building up of each other there has been a tearing down.

Our new song

The song of the Lord is being released because it establishes a new day, a renewed lifestyle and a restored past. The new song brings a solidity to unstable divides and pathways.

Father has spoken to us about sowing and your sowing has dwindled.

Like the prophet who told the king to beat the arrows it is time to become what we have not seen but heard.

For you have heard the sound of your tomorrows in your present. You have seen the future and been given insight so you can sow into the return that's coming.

My enemies plan is to delay your harvest and cause that which you have sown to be halted and cut off.

The enemy desires the fig tree to be rebuked by Christ only this would be the church for not bearing fruit in season

We must lose our inconsistency and our inefficiency and keep our heads above the rushing water of dissension and degradation of foundations that seemed built to last that are. I being pulled away, person of the spirit.

Comfortable

The bride has walked and sat in the way of the ungodly and sat in the seat of a scornful man and has opened her heart in agreement with idolatry.

This idolatry has become a sickening stench in the earth that hits the heavens. And once again distraction is playing games like a magician with fast hands. While you have watched the media and listened to the sound that fills the air your discernment has missed the actual movement.

For you are being deceived and watching things played out that are not the real. You're being lied to by your governments and authorities over you in the natural and in the spirit.

You are looking for signs and they are giving you signs while they take down and deactivate the faith of the church that is supposed to be detached from sight, and natural insight.

Exposing of the sun so the moon can hide it
The storms the wind and the waves

My prophets are speaking about what they see instead of what IAm is revealing and saying what do you see.

We are distracted and watching with eyes of flesh

We are responding to Satan's schemes and exposure of ministry

We are listening to the news and making prophetic determinations instead of listening to IAm firstly.

Satan is going about like a roaring lion seeking whom he may devour.

You are being misled and hoodwinked. Deception makes you vulnerable and fit for devouring so it smells the scent of deception on you and takes you out. You wonder why you've fallen or been removed or focused on by others and these are the results of trusting in what you see rather than seeing in the realm of your discernment and responding from the place of knowing.

Don't get caught up in the enemies narrative that spins and twists the sound within the air.

Close your eyes and take notice of what you see and hear the Lord saying.

Stop following the signs because they are placed there to misdirect you

Wake up

Wake up and stop asking for revival. Revival will come in its time after you have sown the seeds into the ground through prayer and fasting. You must call forth a new day and establish the new through the dimension of the spirit. Sow into the future you want to see and stop responding to what you're being shown.

Idolatry

Your lack of honoring the word of the Lord and honoring the other sources being fed to you is idolatrous. You are looking for natural leads instead of following Holy Spirit led steps and words.

Your Future

Defined early on by:

A. Your decree

Decree a thing and it will be established

Your word in declaration can establish things in the future

B. Your seed

Sowing seed, sowing money through tithing or giving will cause a tree to sprout bearing fruit to be harvested.

C. Your faith

Faith is the future. Look at your today and you will see what you had faith for yesterday. It is the substance of things hoped for and the evidence of things unseen. It is connected to things in the future and now

D. The New Song

Will speak prophetically of the a new day birthing you in the spirit into new places to be experienced through Holy Spirit establishment

Psalms 40:3 TPT

A new song for a new day rises up in me every time I think about how he breaks through for me! Ecstatic praise pours out of my mouth until everyone hears how God has set me free. Many will see his miracles; they'll stand in awe of God and fall in love with him!

Psalms 118:24 KJVS

This is the day which the LORD hath made; we will rejoice and be glad in it.

Faith

Seed

Declaration

New Song

Three things that mark your future determine your destiny and crack open the way to your ultimate success.

Stop idolizing the things in the world

You are being enticed and led astray

Things that are unattached to faith are temptations to lead you astray.

The things you receive should be the things you hoped for and saw before their arrival. This is faith the life of faith

If you are not declaring, sowing and faith forward you are living counterfeit lives that are being mocked by the world.

The world is attempting to remove your prophetic voice out of the Oval Office here in USA
In other countries not so. Not the same.

There is a plan in place to eliminate transition and keep things controlled. Loss of control is the fear of those who control others.

Stop prophesying to the wind

Stop because the wind, the fire, the storm is being falsely created to distract you and take your time and effort away as you speak to storms created by man to keep you occupied.

I see a classroom of children gathered in a room playing with specific toys and being rested. The kids think they are there for fun since they have what they love in front of them so they are meat eaters. They are milk drinking bottle fed immature people happy to entertain their flesh with their idolatry instead of understanding you are being tested. You are being gathered and collectively forced into man made situations that take your thoughts off of what's really happening while your flesh is entertained.

Come out from among them

2 Corinthians 6:17

King James Version

17 Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you
