2020

Hey

&

Welcome

We realize in a church this size, it can be difficult meeting people. Tonight is the night where that can all change.

Joining a group is an amazing way to develop some awesome relationships. That's not all, in fact, our heart for small groups at The Project is to help you develop your relationship with Christ. You may be at a place in life where you are struggling in your walk with God, you're lonely, or you're wanting to learn more about the Bible.

Our small groups are designed to help you grow spiritually while at the same time forming new friendships and having fun.

Throughout this booklet you'll find a bit of info on each group. Take a moment to check them out and sign up for a group online by clicking on the link on our website, app, Facebook page, or Instagram bio.

It may be a bit daunting to join a group where you don't know anyone, but you never know what can happen in your life if you take the chance.

welcome to

What We're About

“Live Well”. I think that’s what we’re all wanting to strive for, isn’t it? But, what does that look like? How do you build that kind of life? It happens every day with small, intentional decisions that will shape a life well lived. Here’s

the thing though, it’s more than just having everything in your life in order; it’s about knowing you spent your life on worthy things. I want to help you do that. I want to help you live well.

What We're About

Hey there!

We will be doing a video Bible study where our focus will be on the book of James. James talks about living out a type of faith that requires action and

change. We are also planning to spend some nights hanging out and building community! Whether it be paint nights, bowling, or game nights, we hope to have some fun!

What We're About

Whether you've never thought of big rocks as something to climb or you've built your house on a rock, this group is all about community and indoor bouldering. We'll be meeting every Monday to hang out both on and off the walls. Regular gym (and shoe

rental) fees will be charged on the nights you're able to make it. Follow "Climbing Crew at The Project" on Facebook for upcoming events and announcements! Bring a friend and get jacked for Jesus (cheesy, we know).

What We're About

With everything going on in the world, it can be hard to not feel overwhelmed! That is why we want to go through a video series that digs into the book of 1 Peter. Our hope is

to talk about what it means to follow Jesus and how we can be an example to those around us, especially when we are feeling overwhelmed and unsure. Can't wait to meet you!

What We're About

We are a group that loves to play sports, no matter your skill level! Each week you'll find us doing something different. As rules and regulations change like the weather, we continue to adapt. This season might see a different Prosports than we are used to, but know we will keep on doing

everything we can to keep sports incorporated into most of our weekly events. Make sure you find us at "prosportsattheproject" on Facebook and/or Instagram so you can stay up to date with what we are doing, and where we will be. See you on Monday!

What better time than the fall to hit the ground running outside! In this group, we will be training together through running and HIIT. All exercise levels are welcome!

Physical training is great, as it can teach us so much about endurance, focus and faith in our own personal lives. With this in mind we, will also spend some time going through the Book of Hebrews where we'll talk about what it means to run this race called life!

What We're About

It can be so intimidating to share your faith with those around you, but we want to embrace that challenge. In this small group, we will be going through a video series called "Jesus in the Secular World". Together, we will dive in and gain understanding of the world

around us while inspiring each other to become better equipped to share the Gospel. Not only is this a Bible study, but an opportunity to build genuine relationships and friendships with other people going to The Project! If you are 22 years old or younger, come join our group!

What We're About

Living as Jesus followers, we are called to sacrifice instead of living for oneself. We have to choose one or the other—we can't do both. We will be going through a video series on a book in the Bible called 1 Corinthians. Paul wrote the letter

of 1 Corinthians to a divided and self-centered people to remind them to follow Jesus and only Jesus. We want to talk about what it looks like to pursue Jesus daily. Hope to see you there!

What We're About

Community, conversations and some good times? We'll see what happens but you'll be missing out on so much if you don't join! Throughout these eight weeks, we'll be going through the Alpha series. It will take us through some of life's most important questions while creating an awesome community in the

process. New, old or non-believers are all welcome! In fact, I genuinely think this program is for everyone.

Building Bridges- Understanding Islam & engaging with your Muslim Neighbour

Through 7 sessions, we will explore what Muslims believe and practice; as well as, discuss practical tools that

we can use to engage and serve our Muslim neighbors. As we partner with Hope City church and the Neighbours and Newcomers Network Edmonton, we will learn how to serve our neighbours well. Sessions are interactive and notes are provided.
