The Gift of Empowered Community

1. What difference does it make that God gives us the Holy Spirit and one another as we join His mission together?
 2. Paul teaches that unity does not happen automatically—we are called to “make every effort” to keep it. What does that effort look like in our relationships with others?
 3. “If you want to go fast, go alone. If you want to go far, go together.” Where have you experienced the value of going together rather than going alone?
 4. The Holy Spirit gives each person gifts for the good of others. What gifts has God given you, and how might He want to use them to bless others?
- How can we avoid treating our gifts as something we own rather than something God has entrusted to us?
5. A. W. Tozer asked what would stop if the Holy Spirit were withdrawn from our lives. What areas of your life remind you that you need the Spirit’s power?
 6. What is one way you sense God inviting you to join Him on His mission together with others? How can we pray for one another as we respond?

ON MISSION **TOGETHER** *builds unity.*
