Love is Our Witness

1. Our culture has a lot to say about what makes a life successful or worthwhile. How does that compare with God's calling for our lives? Where do you feel that pressure most?
2. Where have you seen division damage relationships or communities? What would it look like for Christ's love to make a difference there?
3. The message reminds us that God often works through the quiet faithfulness of ordinary people. Who has been that kind of person in your life? How have they shaped you?
4. Where do you sense God inviting you to use your gifts as part of His mission with others?
5. Is there a person or relationship you've been tempted to write off as "too broken" to mend? What might it look like to take a step toward them with the love of Christ?
6. Who might God be inviting you to invite into His mission with you?
7. What is one way you sense God inviting you to join Him on His mission together with others? How can we pray for one another as we respond?

ON MISSION **TOGETHER** *brings hope to all people.*
