

Sessions 3: A Healthy Team

So often we think of worship as a context to prepare people for a message. Though that may be a purpose and important function for worship there is so much more to God's design for worship. In this session we will explore God's greater plan for our lives in the context of worshipping him.

What Makes a Healthy Team?

Worshipping together

Spiritual moments that happen together grow the whole team towards the Lord and towards his heart.

A body that knows its parts.

You will be most fulfilled and most **passionate** when you are working in a position that you were designed to be in.

When you serve first, we all win.

Billy Graham said "You want to be first. Great! I want you to be first...I want you to be first in **loving others.**"

Jesus Teaches about Serving Others (Matthew 20:28 NLT)

For even the Son of Man came not to be served but to serve others and to give his life as a ransom for many."

Conflict

3 Moves in Conflict

1. Move **Away**
2. Move **Toward**
3. Move **Against**

What will the LAMC worship team be known for?

1. A team that **values** one another.
2. A team that **shares** with one another.
"16 Confess your sins to each other and pray for each other so that you may be healed. The earnest prayer of a righteous person has great power and produces wonderful results." James 5:16 (NLT)
3. A team that **grows** towards the Lord together.
