

Rightly Ordered Worship

1 Corinthians 11:2-16

I. Our Preparation

- A. This text can't be handled with simplicity. 2 Pet 3:16
- B. There are places in the Bible when men would pray or prophecy with their head covered Lev 8:9, 13; Ex 34:32-33
- C. There is not one issue going on but several problems
- D. This is dealing with corporate worship 1 Sam 1:12-13
- E. Why in Corinth were men covering themselves and women were not?
- F. There was a struggle because in that day public decorum would be that married women would be covered to show they were married like wearing a wedding ring.
- G. This seems to be a cultural issue but Paul roots the principal in creation itself so there is something permanent for all generations
- H. Paul is making a general point but not an absolute
- I. How women are adorned in corporate worship should not cause dissension in church but should be intended to head off dissension
- J. The consistent teaching of all the Apostles on this subject always dealt with the heart of sexual decorum in worship.
