

## UNEXPECTED JOY

### The Promise Fulfilled – Part 2

*Romans 15:13*

*Luke 1:46-48*

*Psalms 27:14*

**What does it mean to wait with hope?**

- To anticipate with joyful, confident expectation.

*Luke 1:26-28*

*Luke 1:29-38*

*Ephesians 1:6*

**What happens to highly favored people?**

- When the favor of God rests on you, the power of God is released through you.

*Luke 1:35*

*Acts 1:8*

*Ephesians 3:20*

- You see the waiting period is set by God...not us.
- All you can do is cooperate with God in the process and prepare for deliverance.

**How do you find joy while you're waiting?**

1. Prepare yourself.

*Colossians 3:5*

2. Prepare your environment.

**A question for you to think about:**

- Is there something God is waiting for me to give up, or start up, to make myself ready for his arrival?
