The Christ-Centered Life

Week 4 | Panel Discussion | Dec 3, 2023

ICEBREAKER: What's something you never thought you could do but were able to accomplish? (Doesn't have to be something major...or serious...) What helped you accomplish that goal? What did you learn about yourself or others through the process?

1. Review the ideas on how to grow that were discussed today for each spoke. Which idea resonated or intrigued you most? Discuss some additional ideas for each spoke that you've tried or heard about.
2. List some of the things you learn about Jesus from Colossians 1:15-20. In light of who Jesus is, how does that help you understand why Jesus is the "hub" of the wheel and should be the center of our lives?
3. What is meant by the following quote? (Author unknown)
"Christ is present in all Christians;
Christ is prominent in some Christians;
But in only a few Christians is Christ preeminent."

On a scale of 1-10, with 1 being Jesus is not valued in my life, 5 being Jesus has some value in my life, and 10 being Jesus is preeminent in my life, what number would you give yourself? What would help you move closer to Jesus being preeminent?

4. Look at the first diagram on the next page. Over which of the following areas would you like to see Jesus have more control?
What are some changes you would like to see Jesus help you make in that area?
When and/or how will you begin?
Who will you ask to help you?
5. Conclude by praying for one another
