

“The Christ-Centered Life”

Life Group Questions | 2 Chronicles 20:1-12, 15

Week 3: Prayer | November 5, 2023

1. *Leader Tip: You might spend all your group time on #1 – that’s great!* Have each person in the group, in their journal or on a scrap piece of paper, draw out the wheel, our new disciple-making tool. Take turns sharing which of the spokes you’re seeing encouraging growth in. Then take turns sharing which spoke you need to grow more deeply. Then, share or brainstorm with one another what a practical first step toward that growth could be. Commit to tracking one another’s next steps and use them to pray and check in one each other throughout the week.
2. In what ways can prayer be rightly understood as a tool for spiritual warfare? What experience do you have with this that could benefit the group?
3. PAUSE here to PRACTICE praying prayers of adoration like Jehoshaphat’s prayer in v.6-9. Simply take turns finishing this sentence over and over again, “God, you are so _____.”
4. To what extent do you consider the glory of God as fuel for prayer? Re-read 2 Chron. 20:9 (“for your name is in this house”) and Psalm 23:1-3, “for his name’s sake.” How might this be a paradigm shift in our prayer lives?
5. Let’s make plans together this week to refresh or re-start our prayer lives. Someone re-share the 3 practical prayer tools from the end of the sermon.
 - a. *Leader Tip: micro to MACRO prayers (1), Pray the Bible (2), and P.R.A.Y. (Pray, Repent, Ask, Yield = #3)*
 - b. Use these as tools to spend time together in prayer as a group but also share which one you’d like to put into practice this week.
