DOOR OF FAITH - MISSIONS DEPARTMENT

Missions & Vision Statement

Wow what a year that we went through. We finally got ourselves settled since covid and I am excited about this coming year what great things that the Lord will do through us. I see the Lord moving already among the younger generation. From Asbury revival to revival all around the college campus' causing lots of young people to cry out to God again. I believe this is because many Godly saints have not given up on our generation and asking God to move mightily once again. It is someone's sacrifice and their tears on their altar that cause this revival. I saw this first hand when I went to Korea for five weeks this summer. I had the privilege to travel to Japan and Thailand and saw great men and women of God give their lives for the Lord on the front lines of the mission field. Missionaries like Joyce Kitano who have been in Japan for 30 years as a single woman, always crying out to God "Lord do not pass by Japan". And missionary Tony Webb in Thailand living by faith and preaching the Gospel, on the streets of Thailand, see many coming to Christ in a heathen nation full of idolatry and less than 1% Christian. Because of these saints of God who lay down their lives for the Gospel, we are seeing revival and restoration in the Lord today.

So, as we go through this missions month 2023, God is crying out "Whom shall I send?" "Who will be the one crying out on behalf this generation?" I pray that many of us will say "Lord here I am sent me and use me to be your vessel for this generation!"

Amerasian Christian Academy (ACA) was founded in 1999 to meet the holistic needs (intellectual, physical, social, and spiritual) of the multicultural and migrant children in Korea, where most of them are from socio-economically disadvantaged. Through our holistic educational programs, our goal is to help our students to become loving citizens of a culturally diverse society.

Through our various educational programs, our missionary teachers share God's love and His plans to all the students at ACA.

Jonas & Anne-Sofie Nystrom

Serving Refugees In Europe

“Nystroms On A Mission”, Learning from Tom Bauer the founder of Surfing the Nations our family motto is: *“to hear God, obey God and let him deal with the consequences”*

Vision statement:

“Multiplying communities of disciples” Matthew 4:18-19 As Jesus was walking beside the Sea of Galilee, he saw two brothers, Simon called Peter and his brother Andrew. They were casting a net into the lake, for they were fishermen. “Come, follow me,” Jesus said, “and I will send you out to fish for people.” 2 Timothy 2:2 And the things you have heard me say in the presence of many witnesses entrust to reliable people who will also be qualified to teach others.

Using the tool called Discovery Bible Study (DBS) we started planting simple churches among refugees in Greece back in 2018. It has now become a growing Pan-European network of churches/ bible study groups as the refugees have moved on to other parts of Europe. In this new season for our ministry we are now responsible to train and support the groups in the northern parts of Europe as we have partners continuing the work in Greece out of Thessaloniki and Athens.

PRAYER REQUESTS...

1. Please pray that God will give each of our missionary teachers strength and wisdom as we prepare for the upcoming school year in September.
2. Please pray that students will have a safe summer break, especially students in poor living conditions.
3. Pray for students who have participated in this year’s Revival and that those who have decided to follow Jesus can walk with the Lord with firm faith.
4. For five North Korean refugee students... that they will walk closely with God.
5. For renewal and refreshment for the teachers so that they will return in the fall with renewed energy, passion, and enthusiasm.

Brother Sam Curtis

Street Evangelist, Oahu, Hawaii

My parents first came to Hawaii as missionaries in 1945. I was born pre-mature with Cerebral Palsy and raised in Wahiawa, Hawaii. I attended Leilehua high school, class of '74.

I then spent four years doing radio advertising and sales. Also nine years in automotive retailing. Then, 27 1/2 years as a Christian retailer, owner of Showers Of Blessings Christian bookstore in Mililani, which closed in December 2016. Working in the bookstore gave me the perfect opportunity for personal evangelism.

Vision Statement:

As you and I both know, we do not know how much time we have left to do whatever God has called us to do. I try to make sure that everyone who wants, has the opportunity to receive Christ as their personal Lord and Savior. It could be at a mall, going to a hospital, just

Lighthouse Community Church

PO Box 221,
An Post,

Jamie & Ludmila Corcoran

Myself and my wife Ludmila found ourselves praying asking God for a next step in our lives. We wanted to make a difference in our world and to be part of God's great rescue plan for Ireland, to serve the people of Ireland by inspiring them to pursue an authentic relationship with Jesus, to experience the God that many of us spent our whole lives growing up hearing about but never actually knowing.

Bottom line - we wanted to give our lives to help people discover and live out their Extraordinary Purpose in Christ.

That was 2008 and we did not expect God to respond to that prayer in the form of leading us to pioneer Lighthouse Church. But since then to now - our desire, our prayer and our mission is still the same.

We believe that God loves Ireland and that He has a plan and a purpose for everyone of us; that we have been Made for More.

Today, Lighthouse is making a difference in hundreds of lives and many communities, online and on the ground by church planting and partnering with local organizations.

sitting at a Starbucks or wheeling the streets of Honolulu, Mililani, Pearl Ridge, Kailua, or Kaneohe always looking for an opportunity to share the gospel.

Mission statement:

To declare His praise in the islands wherever I go.

Every morning when I spend time with the Lord I ask him to show me what He wants me to do and where I am to go and to help create ministry opportunities whatever that may be.

PRAYER REQUESTS...

- That I and my wife Donna, stay safe.
- I can do all things that God puts before me, using the correct words to say to each person I come in contact with.

Japan Mission

David & Sue Verwey

Alex & Eri Verwey

Vision and Mission Statement:

Spiritually Thriving Centers of Hope

The motto of Japan Mission is **Called to Serve**. We desire to serve the Japanese people in whatever way the Lord leads, *so that some may be saved*. The two main purposes of our ministry continues to be to evangelize the unsaved and assist the Bible-teaching churches of Japan. Japan Mission is inter-denominational, not forming churches, but rather linking those reached through various avenues of ministry to already existing Bible-teaching Churches.

Japan is in great need of **more churches that are spiritually thriving centers of hope**, that can meet the needs of those in their communities. The Lord has directed us to aid in the development of such **centers of hope** by encouraging the small churches — thereby strengthening the Christian community as a whole.

Most of the 7,800 churches in Japan have an attendance of fewer than 30 people and struggle to survive. These churches are surrounded by people in need of counseling, social support, quality childcare, care for the elderly and effective education. JM workers and resources help to empower many churches to meet these needs and establish a connection with people – thereby helping them reach people in their communities for Christ:

- **LITERATURE** – JM publishes a **monthly evangelistic tract**, which helps churches evangelize their communities. We also remain committed to making thousands of **Bibles** available in various languages throughout Japan, China and other parts of the world.
- **EVANGELISTIC PROGRAMS** – Missionary / Teachers teach **Conversational English** and share the Gospel in many churches. JM workers have also been involved in campus, cooking & choir classes and services for children and the elderly while sharing the gospel.

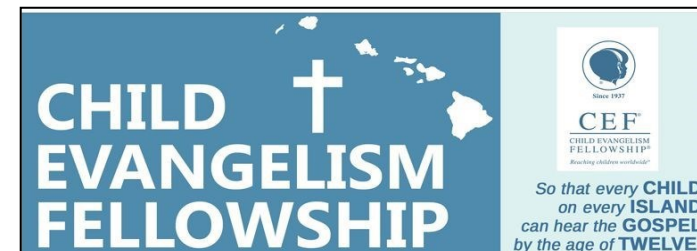

Together, Matt & Stacey look forward to the day when every island has a vibrant and healthy CEF presence. Until then, they are looking forward to many more years of serving along-side churches and individuals with the same passion for reaching children with the Gospel.

CEF Hawaii Vision Statement:

Our vision is that every child on every island can hear the Gospel by the age of twelve.

CEF Hawaii Mission Statement

Our mission is to inspire, train and equip students and adults to effectively share the Gospel with the children of Hawaii.

Rev. Matt Walton

(Ordained Southern Baptist Minister)
 Director Child Evangelism Fellowship

With more than twenty years of ministry experience, Matt is passionate about inspiring, equipping and empowering students and adults to effectively share the Gospel with every child in Hawaii. Matt accepted Christ as his Savior at the age of eight years old in a small country church in rural NC. His home church continues to play a vital role in his ongoing service to the Lord. Starting as early as high school, Matt began to serve and help teach in children and youth ministry.

Later, he earned a Masters of Christian Education from Campbell University Divinity School. Matt served in youth and children's ministry for about fifteen years in his home state of NC before God called him and his wife Stacey to serve with Child Evangelism Fellowship of Hawaii.

Matt currently serves as the state director for Child Evangelism Fellowship of Hawaii. Stacey and Matt made Hawaii their home in 2012 and have enjoyed seeing God begin to re-establish CEF as the most effective children's ministry outreach in Hawaii. When they arrived, God gave them a clear vision for the ministry and work of CEF here in the islands. That vision was and is that every child on every island can hear the Gospel by the age of twelve. Their mission is to inspire, train and equip students and adults to effectively share the Gospel with the children of Hawaii.

- **MEDIA & AUDIO VISUAL** – JM assists churches with **video production, advertising and website development**. Evangelistic and Christian **educational videos, audio Bibles and message DVDs** have also been made available. We remain committed to making significant investments in **Christian TV and Radio**, which impacts the lives of millions in Japan with the Gospel.
- **RESOURCES & EDUCATION** – JM has provided **consultation and training seminars** that address specific needs. Teachers, special speakers, literature and teaching materials have also been provided.

Workers of Japan Mission are actively involved reaching the unsaved for Christ. Special events focusing on Christmas, Easter, English Camps, Barbeque, Parents and Children's groups enable us to share the Gospel with those who have never attended to church.

Team members are also invited to serve in many local churches as speakers at worship services and evangelistic events. Christmas is a special time of year when Japanese people are interested in Christianity. Workers become very busy as they participate in over 100 evangelistic meetings, concerts and parties in various churches to reach those in local communities who desire to learn more about the meaning of Christmas. Pray that many will be reached through these outreach opportunities.

PRAYER REQUESTS...

- Partner with us through your prayers
- Japan Mission is in need of intercessors, who would faithfully pray as we seek to evangelize the lost and assist the churches. ***The prayer of a righteous person is powerful and effective*** (James 5:16, NIV).
- Pray that the Holy Spirit would convict and lead those we reach to a true knowledge of Jesus Christ. Jesus said, ***'The harvest truly is plentiful, but the laborers are few. Therefore pray the Lord of the harvest to send out laborers into His harvest'*** (Matthew 9:37-38). Pray that the Lord would *send workers into His harvest*.
- Please pray as follows for the workers of Japan Mission: Holiness & Sanctification, Wisdom & Discernment, Patience & Flexibility, Fruitfulness & Success, Protection & Safety, Love & a Servant's Heart, Discipline & Dedication, Boldness & Courage, Health & Strength, Family & Loved

Japan - Chi Alpha Japan

Joyce Kitano

Purpose and History of Ministry:

I've been a missionary for 33 years and teach in the Bible School, serve at a local Japanese church, and on the Japanese National Youth Department and World Missions

Department, and I travel in Japan and internationally to preach and do training. But my main ministry is as the Director of Chi Alpha Japan. We started the first campus Bible Study in 1997 at the University of Tokyo and then over the years have expanded to other campuses. Students are the most open segment of the population in Japan and we have seen them get saved, baptized in the Holy Spirit, and several have become pastors of Japanese churches and Bible School professors. Our main focus is on campus Bible studies, friendship evangelism, discipleship, English conversation partners, food events, concerts, prayer walking, etc.

PRAYER REQUESTS...

- That God would anoint my life for His purposes.
- His presence would move greatly in the heart of the Vietnamese and touch lives.
- Need more and more workers "The harvest is plentiful, but the workers are few."

Moses Cao Vietnam

Moses Cao is a Missionary to the Vietnamese people. He has worked for over 4 decades to spread the Gospel in the United States, Asia, and in Europe.

He originally began his ministry in 1990 with his father Peter Cao; they are the founders of the Assemblies of God of Vietnam churches.

In his current ministry he is focused on planting churches in the USA, Czech Republic, Germany, Laos and Vietnam.

Mission Statement:

“Go therefore and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit, teaching them to observe all that I commanded you; and lo, I am with you always.” Matthew 28:19-20

Vision Statement:

“the Spirit of the Sovereign Lord is on me, because he has anointed me to proclaim good news to the poor, He has sent me to bind up the broken hearted, to proclaim freedom for the captives and release from darkness for the prisoners, to proclaim the year of the Lord’s favour and the day of vengeance of our God, to comfort all who mourn, and provide for those who grieve in Zion – to bestow to them a crown of beauty for ashes, the oil of joy for mourning, and a garment of praise instead of the spirit of despair. They will be called mighty oaks, a planting of the Lord for the display of his splendor.” – Isaiah 61:1-3

PRAYER REQUESTS...

1. After 3 years of being shut out of campuses we're finally able to get back on most campuses. Please pray for open doors as we transition from Zoom to in person campus Bible Studies.

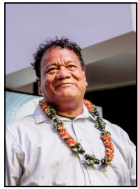

2. We have had a Chi Alpha Student Center for the past 15 years in Tokyo, but the city is widening the road outside our building and will take part of our building. So we need to find another property within the next year and renovate. Please pray for a location closer to campuses, and for miracle price.

3. Please pray for revival in Japan, a nation of less than 1% Christian that has never experienced revival.

Upstream International
Global Outreach

MINISTRY PURPOSE:

Although the ministry is involved in various forms of outreach, Upstream International focuses on raising up ministers unto the Lord, especially in remote and hostile places. Through ministry training classes, pastors' renewal seminars, and evangelistic crusades held in towns of either new churches or where one is struggling, we seek to encourage those who God has called to take this Gospel to their nation and tribe.

On the Texas/Mexico border, we work primarily with Way of the Cross who has ministries in Tamaulipas, Mexico and in Masaya, Nicaragua. Other ministries we co-labor with include outreaches in Nigeria, Sudan, Samoa and in the Philippines, to name a few. Throughout the year, we lead and participate in free health care clinics in poverty stricken areas, support for various orphanages, refugee and human trafficking safe houses as well as humanitarian aid in disaster and war zones. We are also involved in youth and college ministry in the U.S. and around the world.

Plus, by the miraculous provisions of God, we have gospel tracts in the many languages of the world, that my family gives out while I preach the gospel.

As Sister Mildred Brostek trained us to grow, glow, and go, we are still growing, glowing, and going. And we are going to souls from all over the world with the gospel of the kingdom.

PRAYER REQUESTS:

Back in 2014, the night before the late Northern Irish preacher, Ian Paisley, went to be the Lord, he sent me an e-mail praying that God would give us souls for our hire. And this is our prayer request: S O U L S.

Currently, Thailand is not even 1% Christian; and most of the people who come here from around the world are not Christian. So our prayer request is for souls.

Tony Webb Thailand

For a brief history, my wife and I were born again and married on the same day back in July 24, 1995. Before that, I was prize fighting on Thai television from 1990 -1995 under the name of "Tony Sasiprapa-gym." In 1996, the Lord sent my wife and I went to

Hawaii to be trained at the Door of Faith Church and Bible School; and I believe that we were the last two "missionaries" to be trained and ordained by Sister Mildred Brostek.

We returned to Thailand in 1998. By the grace of God, we preach all over Thailand, Burma, Laos PDR, Cambodia, and the Philippines. For the Lord has gifted and called me to do the work of an evangelist. We have three children: Esther, our eldest daughter; Mordecai, our son; and Hadassah, our youngest daughter. And my wife's name is Sister Anesta.

Mission Statement

Our mission statement is "And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come." (Matthew 24:14).

Though we are in Thailand, we are preaching the gospel to souls from all over the world. Pre-COVID-19, souls from all over the world came to Thailand; and we preach the gospel on these streets that they are coming to, especially in the red light areas

PRAYER REQUEST:

- Re-establishment of international outreach endeavors after the Covid pandemic
- Like minded team members to join the ministry to help with various projects
- Guidance and provision
- Continued protection, safety and good health
