

This is not just a spiritual battle — it's a *cultural war*. The enemy's greatest strategy isn't just temptation, but *influencing high places* — systems, ideologies, and atmospheres — to shape identity, values, and purpose. The Church (Ecclesia) must wake up and step into its *jurisdictional authority*.

Key Scriptures:

- Ezekiel 36:1–6 – God tells the prophet to speak to the mountains. The enemy taunts, claiming possession of the high places.
- Romans 8:18–21 – Creation is waiting for the revealing of the sons of God. Glory is locked inside of us.
- Ephesians 6:11–12 – We don't wrestle with flesh but with strategic demonic systems in high places.
- 2 Corinthians 10:3–5 – Our warfare pulls down strongholds, arguments, and everything that exalts itself against God.
- Matthew 16:18–19 – Jesus gives us keys of the Kingdom — legislative authority to bind and loose.

Five Kingdom Revelations in This War:

1. High Places = Strategic Influence

- Biblically: Elevated locations of worship or idolatry.
- Today: Systems, ideologies, platforms, and inner allegiances.
- Whoever controls the high places controls the narrative.
- High places shape belief systems, moral values, laws, and identity.

2. Culture Has Pulling Power

- Culture determines what's *normal*, *honored*, and *allowed to grow*.

- It defines values, behaviors, language, and expectations.
- You can't disciple people while being disciplined by the world.
- The Kingdom of God has its *own* culture — we must establish it.

3. The Enemy Is Strategic, Not Random

- “Wiles” (methodia) = systemized deception and manipulation.
- Custom-designed strategies target your vulnerabilities.
- Satan's goal: Pull you off *course*, not just tempt you with sin.
- You are being *studied*, not just tempted. Patterns are watched.

4. Two Kingdoms, One Battlefield

- The second heaven is a *real battlefield* — the realm of spiritual opposition.
- The kingdom of darkness seeks to block Heaven's will from manifesting.
- Daniel 10 shows that answers from God can be delayed due to this conflict.
- Your fasting and intercession make room for *breakthrough*.

5. The Role of the Ecclesia (Church)

- You are not just saved — you're *sent*.
- The Church is Heaven's governing agency on Earth.
- Jesus gave us *keys*, meaning we legislate Heaven's will.
- Our job is not to escape the world, but to occupy high places *until He comes*.

Practical Examples of High Places Today:

- **Media** – Shapes belief, identity, and normalizes dysfunction.
- **Education** – Shapes thought, language, and value systems.

- **Government** – Shapes law, policy, and morality.
 - **Entertainment** – Shapes desire, worth, and worldview.
 - **Religion** – Can become a high place when void of truth.
-

Call to Action:

- **Wake Up** – Break autopilot living and spiritual numbness.
 - **Intercede** – Fast and pray strategically. Clear the heavens.
 - **Bind & Loose** – Use your legislative authority in prayer.
 - **Occupy High Places** – Be a Kingdom influence in your job, school, and community.
 - **Guard Your Intake** – Media is a platform of influence; guard your gates.
 - **Build Culture** – Establish Kingdom norms at home, work, and in church.
 - **Disciple, Don't Entertain** – The Church must equip saints, not mimic the world.
-

Summary:

You are not wrestling against people — you are battling *systems, ideologies, and spiritual strategies* that are deeper than you think. But you are not powerless. You are the **ekklesia**, Heaven's legislative body on Earth. It's time to understand your assignment, step into your authority, and bring Heaven's culture into Earth's chaos. The resurrection wasn't just for Jesus — *it activated you too.*
