Lesson Title: *Release: Full Access*

Date: March 16, 2025

Text: John 16:15

“All things that the Father has are Mine. Therefore I said that He will take of Mine and declare it to you.”

1. INTRODUCTION: FULL ACCESS THROUGH CHRIST

1. Jesus holds **full access** to the heart, will, and authority of the Father.
2. What **belongs to Him**, He **releases** to us through the Holy Spirit.
3. *“He will take of Mine and declare it to you.”*
 - **Take (lēm̄psetai):** to receive or draw from with intention.
 - **Declare (anangelei):** to reveal, announce, or unveil clearly.

Key Thought:

The Holy Spirit isn't bringing something new—He is **transferring divine revelation** from the Father, through the Son, and into us.

II. WHAT DOES IT MEAN TO BE RELEASED?

1. **Release** means:
 - To **allow** something to move freely.
 - To **remove restrictions** so something becomes available for purpose.
2. **Release = Awakened + Equipped + Sent**

Through Christ, we've been brought into the family, given the **right to become sons** (John 1:12).

As sons, we've received: Righteousness (right standing), Inheritance and Purpose

III. WALKING CIRCUMSPECTLY IN THE LIGHT

Ephesians 5:15 – “Walk circumspectly...”

Greek: akribōs → Carefully, accurately, with purpose. To walk circumspectly is: To walk in **wisdom**,

To be **strategic**,

To **redeem the time**,

To walk with **Kingdom purpose**.

Ephesians 5:14 – “*Awake, you who sleep...*”

Paul is calling the church to **wake up**, shake off spiritual slumber, and walk in **divine awareness**.

IV. RELEASE REQUIRES FELLOWSHIP WITH THE HOLY SPIRIT

Misconception: The Holy Spirit is only about power.

Correction: He is a **Person**, not just a **power**.

You **fellowship with a Person**, not use Him like a tool.

2 Corinthians 13:14 – “*The fellowship of the Holy Spirit...*”

Greek: Koinōnia: *Fellowship, partnership, communion, participation.*

Three Dimensions of Fellowship:

1. **Personal Communion**
Daily interaction, sensitivity, relationship.
2. **Partnership in Purpose**
The Spirit is our **ministry partner, mission guide, and leader** (Acts 13:2).
3. **Sharing in His Nature**
His thoughts become ours.
His mission becomes ours. His
power flows through us.

Fellowship with the Holy Spirit is **alignment with Christ’s ongoing mission** on earth.

V. THE HOLY SPIRIT: OUR PARACLETE (HELPER)

Greek: Paraklētos (παράκλητος)

“One called alongside to help.”

John 14:16 – “*Another Helper*” (*Allos Paraklētos*)

“Another of the same kind” → The Holy Spirit is **of the same essence** as Jesus. He is not **less than**—He is the **Spirit of Christ** continuing Christ’s work.

Comforter:

The Comforter brings **renewal, transformation, and protection**, and completes the work of Christ in us.

VI. SPIRIT OF TRUTH: “RUACH EMET”

The Spirit of Truth:

- Reveals **God's reality**.
- Leads us into **alignment with divine truth**.
- Is the **active Presence** of God's unchanging nature.

Truth isn't a concept—it's a **Person**, and the Spirit brings us into alignment with Him.

VII. THE INDWELLING VS. EMPOWERMENT OF THE HOLY SPIRIT

Indwelling Presence

- **John 20:22** – “Receive the Holy Spirit.”
- **Romans 8:9-11** – The Spirit now lives **in us**.
- Like Adam in Genesis 2, God **breathed life** into them.

Empowerment for Ministry (The Baptism)

- **Luke 24:49 / Acts 1:8** – “Endued with power from on high.”
- This is **not the same** as indwelling—it is **the release of power** to walk in purpose.

Greek:

1. **Enduo**: To put on like a garment.
2. **Eperchomai**: To come upon, overshadow.

VIII. JESUS' EXAMPLE

- **John 1:32 / Luke 3:21-23** – The Spirit descended upon Jesus at baptism.
- **Luke 4:1** – “Then Jesus, being filled with the Holy Spirit...”
- The Spirit **empowered Him** for public ministry.

So it is with us:

- **Saved and sealed** with the Spirit (Ephesians 1:13).
- But we are also to be **filled and released** by the Spirit for Kingdom work.

9. CLOSING EXHORTATION: POSTURE FOR FELLOWSHIP

The Holy Spirit is not **a power** to be used—He is **a Person** to be followed.

What should we do?

1. Posture ourselves to **fellowship** with Him.
2. **Acknowledge** His presence daily.

3. **Pray** with awareness of His Person.
4. **Follow** His leadership with intentionality.

THOUGHT TO MEDITATE ON:

"I posture myself to walk with the Spirit of Christ. I do not walk alone—I walk with the Helper. I receive the Spirit not just to feel power, but to walk in purpose. I am awake, I am aware, and I am released!"
