## HIM: The Gospel of Christ According to Mark – Lesson Eight: Remember What You Said

**Date:** May 24, 2026

**Primary Text:** Mark 5:21-43

### Introduction

**Opening Thought:** “Remember, with the same measure you meet, it will be measured back to you.”

**Scripture:** Mark 4:24 (Amplified)

“Pay attention to what you hear. By your own standard of measurement... it will be measured to you...”

**Key Thought:** Stewarding what you hear matters.

# I. Jairus Comes to Jesus

**Scripture:** Mark 5:21–22

“A ruler of the synagogue came... and fell at His feet.”

## Understanding Jairus' Position

**Greek Word:** archisynagōgos

**Meaning:** leader/chief of the synagogue

**Jairus was:**

- a respected religious official
- connected to religious structure
- influential within the Jewish community

## Understanding Jairus' Posture

**Key Thought:** His posture became a confession.

In Hebrew culture, falling at someone's feet represented:

- humility
- surrender
- desperation
- honor
- reverence
- submission to authority

## The Feet of Jesus as a Kingdom Posture

**Key Thought:** Falling at Jesus' feet symbolizes:

- surrender
- trust

- dependence
- recognition of His Lordship

**Kingdom Principle:** Humility precedes deeper revelation.

**Scripture:** James 4:10

"Humble yourselves in the sight of the Lord..."

---

## II. Remember What You Said

**Scripture:** Mark 5:23

"My little daughter lies at the point of death... she will live."

**Key Thought:** Walking with Jesus will require you to remember what you said about Him.

### When Faith Is Stretched

Questions faith must face:

- Why does delay often show up after prayer?
- Why do reports worsen after confession?
- Why do storms arise after revelation?

### The Purpose of Delay

**Key Thought:** There are dimensions of Christ you will never know unless your faith is stretched beyond what you can control.

### Jairus' Faith Had Conditions

Jairus believed Jesus could heal...

- if He arrived in time
- if He used the expected method
- if visible possibility remained

## When God Moves Beyond Expectation

**Key Thought:** Sometimes Jesus allows situations to move beyond our control so our confidence can become rooted in who He is rather than in how we expected Him to work.

## From Healer to Resurrection

Jairus came believing for healing.

Jesus was preparing to reveal Himself as resurrection.

## Mature Kingdom Faith

**Kingdom faith survives when:** timing fails, methods change, visible possibilities collapse, and we still believe Christ is Lord.

---

## III. The Classroom of Delay

**Scripture:** Mark 5:25–34

While Jairus waits, Jesus stops to minister to a woman suffering for twelve years.

**Key Thought:** What Jairus saw as interruption was actually a classroom.

## Why God Teaches in Desperate Moments

**Key Thought:** God often establishes classrooms in inconvenient and desperate moments because pressure reveals what ordinary moments conceal.

Pressure reveals:

- what we truly believe
- where trust is anchored
- whether faith depends on comfort or Christ

## The Woman With the Issue of Blood: The Contrast of Faith

Jairus said: "Come lay Your hands on her."

The woman said: "If I may touch but His clothes..."

**Key Insight:** Jairus believed Jesus must touch. The woman believed even contact with what clothed Him was enough.

## The Significance of the Hem of His Garment

**Scripture:** Numbers 15:38–39

The “hem” refers to the tassels/fringes (tzitzit) worn according to covenant law.

The tassels represented:

- covenant identity
- obedience
- remembrance
- belonging to God

## The Significance of Twelve

The woman suffered for twelve years.

**Twelve represents:** divine government, covenant order, authority, and covenant community.

## She Was Reaching for Covenant Mercy

**Scripture:** Malachi 4:2

“Healing in His wings...”

**Word Insight:** The Hebrew word for “wings” can also refer to corners, edges, and extremities of a garment.

**Key Thought:** Her touch was rooted in covenant faith in who she believed Jesus to be.

## Faith Always Gets His Attention

**Scripture:** Mark 5:29–34

“Daughter, your faith has made you well.”

**Key Thought:** She was not demanding public attention. She simply believed if she could reach Him, it would be enough.

---

## IV. The Interruption Was Developing Jairus

**Key Thought:** Jesus was not wasting time—He was developing trust.

The delay exposed whether Jairus' faith was in:

- a method
- a timeline
- Jesus Himself

### The Bad Report

**Scripture:** Mark 5:35

"Your daughter is dead. Why trouble the Teacher any further?"

**Key Thought:** Everything Jairus believed about the process collapsed. The urgency, timeline, and visible possibility were gone.

### Only Believe

**Scripture:** Mark 5:36

"Do not fear, only believe."

**Key Thought:** Fear and faith cannot lead at the same time.

### Remember What You Said About Him

Meaning:

- Don't let fear cancel revelation
  - Don't abandon your confession because circumstances changed
  - Hold onto what faith declared before fear arrived
- 

## V. The Atmosphere of Faith

**Scripture:** Mark 5:37–40

Jesus permitted only Peter, James, and John to continue.

**Key Thought:** Jesus became selective about the atmosphere—because unbelief, fear, and noise can contaminate environments where faith is being developed.

**Key Insight:** Some people are assigned to your crowd but not your inner room.

## Jesus Sees Differently

**Scripture:** Mark 5:39

“The child is not dead, but sleeping.”

**Key Thought:** Everybody else saw finality. Jesus saw temporary interruption.

---

## VI. Unbelief Mocks What Faith Expects

**Scripture:** Mark 5:40

“And they ridiculed Him...”

**Key Thought:** Unbelief often laughs at what faith expects.

## One Word Changed Everything

**Scripture:** Mark 5:41

“Little girl, I say to you, arise.”

**Key Thought:** One word from Jesus reversed what everyone else called final.

## Jairus Asked for Healing

**Key Insight:** Jesus revealed resurrection.

**Key Thought:** Sometimes we ask God to preserve something while He intends to reveal a greater dimension of His glory.

---

## What We Learn From Jairus

## **Key Truths:**

1. Jesus is not limited by delay
  2. Jesus is not intimidated by death
  3. Jesus is not bound to human timing
  4. Jesus is faithful to what faith declared before fear arrived
- 

## **Key Scriptures to Meditate and Memorize**

- Mark 4:24
  - Mark 5:21-43
  - James 4:10
  - Numbers 15:38-39
  - Malachi 4:2
- 

## **Final Thought**

The delay did not deny the miracle.

The interruption did not cancel the promise.

And the bad report did not change who Jesus is.
