

#### How to use Talk It Over:

Talking through the message during the week helps you and your group turn what God is saying to you into action steps. Begin with the key questions, add any optional scriptures and questions if needed, and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

#### Main Idea:

We are not a home that believes in Christ, but we are a Christ-centered home.

#### Key Questions:

- What's one idea from the message that really stood out to you? Why did this idea grab your attention?
- Based on how you currently spend your time and resources, what does your home hunger for?
- What steps might you need to take to create a stronger hunger for God in your home?

**Optional Questions:** If needed, include one or more of these scriptures and questions to extend your conversation.

- With your Bible or YouVersion, read and discuss Matthew 5:6, Psalm 63:1-8, and Joshua 24:15.
- How have you seen legalistic or lukewarm Christianity in your family? How has that affected your family?
- What do you think being a Christ-centered home looks like for your family?
- Are you involving God in your daily conversations with your family? Why or why not?
- What things can you do to help show your family that seeking and serving God is fun?
- How would you rate the current state of your family? What's good and what's not so good?

#### Next Steps:

- What's one thing you will do this week to help your home have a stronger hunger for God?
